If your school reports out by trimester, you now have the option to view your child's trimester one report card including the ability to print it through your parent portal account. If you have not signed up for an account, call your school's front office today!

If you are a school that reports out quarterly, you will have the option to view your child's quarter one report card. Your child's quarter two report card will be viewable after Friday, January 19th.
