ACADEMIC CODE OF CONDUCT

The staff at Samuel Jackman Middle School expects the highest standards of honesty, integrity and responsibility from all students. To protect everyone's right to a fair and meaningful education, the school has adopted an Academic Code of Conduct.

- A student who exhibits any behavior which in the judgment of the teacher or administration indicates dishonesty while taking an examination will receive a zero for the examination, detention, and/or other disciplinary consequences. The examination may not be made up.
- A student who copies an assignment from another student will receive a zero for that assignment, detention, and/or other disciplinary consequences. The student who allows an assignment to be copied shall also receive the same consequence. The assignment may not be made up.
- A student who, for the purpose of cheating on an examination, enters a classroom carrying evidence of premeditation (such as aids or unauthorized notes) will receive a zero for that examination, detention, and/or other disciplinary consequences. The examination may not be made up.
- A student who is apprehended for taking, without permission, another student's written assignment or project for personal use or academic credit will receive a zero for that assignment, detention, and/or other disciplinary consequences, and may be further disciplined under provisions for theft in the student discipline policy. The assignment may not be made up.
- A student who displays unethical behavior and/or is involved in any other activity for the purpose of cheating, altering, or falsifying records, removing or copying of any materials will be disciplined as follows: A student enrolled in the course in which the infraction occurred will receive a grade of "F" or zero for the assignment for which the infraction takes place. A student NOT enrolled in a course who is involved in such an infraction, will be disciplined in accordance with the student discipline policy.

A student who plagiarizes any print or online material will receive a zero for that assignment, detention, and/or other disciplinary consequences. The assignment may not be made up. This includes passages with minor changes, cutting and pasting information from several sources to make up your paper, using the words or ideas you found in another source without giving credit to the source, not giving the correct information about the source, and/or copying such a large amount of ideas or words from sources that it makes up the majority of your work.

AFTER SCHOOL EDUCATION AND SAFETY PROGRAM (ASES)

The ASES tutoring program includes homework assistance, academic enrichment, recreational activities, and a daily nutritional snack. ASES offers this program free to all Jackman students; however, space is limited, so turn in your application as soon as possible. Daily attendance is required and students must remain for the entire time. Students are required to follow all rules as noted in the student handbook. Failure to comply may result in removal from the program. Permission slips can be obtained in the counseling office or contact the ASES Coordinator, Raquel Redd-Manning, at (916) 393-2352 if you have any questions.

ARRIVAL TO SCHOOL

The campus is open to students at 7:30am each morning. Breakfast is served from 7:30am - 7:55am.

ASSEMBLIES AND RALLIES

Assemblies and rallies are planned periodically as special events on the school calendar. Students are expected to behave courteously at school assemblies and rallies, to give full attention to the performers on stage, and to applaud appropriately.

ATTENDANCE

Students are expected to be at school **every day** except when they are too ill to attend. When a student is ill, a parent/guardian must call the Attendance Office at (916) 393-2352. When the student returns to school, he/she needs to submit a written note from a parent/ guardian to their office technician. **The note should include:** Student name and ID number, reason for absence, grade level, parent signature and, dates of absence(s). Parents/Guardians can also contact the Attendance Office at any time for information about their student's attendance.

BEHAVIOR EXPECTATIONS

Responsible and positive citizenship is a major objective in all aspects of student development at Samuel Jackman Middle School. In addition to our dress and grooming requirements, certain general areas of conduct need to be followed at all times.

- Come to school every day.

- Do not interfere with other students' opportunity to learn.
- Arrive at all classes on time.
- Be courteous and respectful to others and their property.
- Complete all assigned class/homework on time.
- Remain in class until dismissed by the teacher.
- Remain on the school campus during the entire school day.
- Carry your student identification card with you at all times.
- Follow all school and classroom rules.

Possible Consequences for Inappropriate Behavior

1. Parent/Guardian Contact: Teacher will contact parent/guardian and advise them of student's inappropriate behavior.
2. Detentions: Students will be required to attend assigned detentions at the designated location and time.
3. Parent Accompaniment: A parent/guardian may be asked to accompany his/her child to school and attend all of the student's classes as a consequence for inappropriate behavior.
4. Parent Teacher Conference/Student Study Team: Parents/Guardians may be asked to attend a conference focusing on the student's specific academic and behavior concerns.
5. Suspension: Depending upon the specific violation of the Educational Code as well as the severity and/or frequency of inappropriate behavior, administrators may assign a Home Suspension from one to five days. Whenever possible students assigned to Home Suspension will be assigned make-up work to complete during their absence and will need to return the work within the period of time specified in the make-up work policy.
6. Expulsion: If a student has violated the Education Code, the school may move to expel that student from the Elk Grove Unified School District. If a student is expelled from school, he/she may not return to the school district for an assigned period of time.

BICYCLES/SKATEBOARDS/SCOOTERS/SKATES

If students ride a bike to school, be sure to **lock it up** in the enclosed bike rack. The school is not responsible for bicycles on the school campus. Bike riding is not permitted anywhere on the school campus. Students are reminded that state law requires that students under 18 years of age wear helmets when riding bikes to and from school. Students who do not wear helmets may be subject to a ticket and a fine. SJMS is not responsible for unlocked bicycles or for bicycles left overnight at the site. The Elk Grove Unified School District prohibits the use of skateboards, wheelies, roller skates, in-line skates, or similar devices on school property, including parking lots and walkways. Violators may be prosecuted and fined. In addition, SJMS does not provide an opportunity to store skateboards, skates or scooters on campus and these items should be left at home.

BIRTHDAY CELEBRATIONS

Celebrations of students' birthdays must remain positive, appropriate and safe. Birthday "hits" are not allowed at school. Any deliveries of food, flowers or balloons must be kept in the Main Office until the end of the day.

BREAKFAST AND LUNCH PROGRAM

Research shows that eating a nutritious breakfast is vital to a student's ability to concentrate and learn during the school day. School lunches typically provide students with one-third of their Recommended Dietary Allowances, which gives them the nutrition they need to continue to learn throughout the day. Samuel Jackman has been designated a **universal free lunch school**. **All students are provided with a free breakfast and lunch each day.** Students attending ASES are also provided with a free and nutritious meal while enrolled in the program.

CAMPUS SUPERVISORS

Students will see the Campus Supervisors around the campus before school, between classes, during lunch, and after school. Campus Supervisors help to make sure that Samuel Jackman is a safe place for all students and staff. Students are expected to follow their directions at all times. If students need help finding a class, need someone to talk to, or are having a problem, Campus Supervisors are available to assist them.

CELL PHONES/HEADPHONES AND OTHER ELECTRONIC DEVICES

Per the Elk Grove Unified School District Board of Education policy, students are permitted to use electronic devices, such as cell phones, **before entering and after leaving school only.** Though students are allowed to carry their cell phones during the school

day, the use of cell phones is prohibited during school hours. Use of cell phones, headphones or other electronic devices during the school day (receiving or sending calls, text messaging or taking photos/recordings) will result in the device being confiscated. Repeated behavior will result in additional disciplinary consequences. Should your student have his/her electronic device confiscated, the confiscated item will not be released back to the student and parents/guardians must make arrangements to pick it up from the office. **Samuel Jackman Middle School is not responsible for loss or damage to any confiscated item.**

I-Pods/ MP3 players, cameras, radios, electronic toys, laser pointers or any other electronic devices or games are not permitted at school. Not only do they disrupt classes, they are often stolen or lost. If stolen or lost, the school will not be responsible for, nor investigate the theft. When prohibited items are found on campus they will be confiscated and turned in to the Vice Principal's office. Confiscated items will not be returned to the student. Parents/Guardians must make arrangements to recover the item from the Vice Principal. **Samuel Jackman Middle School is not responsible for loss or damage to any item not allowed at school.**

Pursuant to California Education Code Section 51512, the use of any electronic listening or recording device in an educational setting without prior consent of the teacher and/or the principal is prohibited. Any pupil violating this section will be subject to appropriate disciplinary action.

CHILD ABUSE

Child abuse and neglect is one of the leading causes of injury or death for young children. Every day thousands of children are abused, both physically and emotionally, often by members of their own family. Child abuse is defined as: physical abuse, physical neglect, sexual abuse, emotional abuse and/or emotional maltreatment. Child abuse may begin with a parent or caretaker inflicting minor injuries upon the child. The abuse can begin to increase over time, causing more serious harm. All categories of abuse endanger or impair a child's physical or emotional health and development, and demand attention. Therefore, detecting the initial small injuries and intervening with preventive action may save a child from further abuse, injury or death.

School officials (including teachers, counselors, administrators, instructional assistants, clerical, custodians, campus supervisors, etc.) **are required by law to report any known or suspected child abuse.** An indicator for suspected child abuse is when a child tells someone that he or she has been abused. When a child tells a school official, the communication is not privileged. School officials who report suspected cases of child abuse have absolute immunity, both civil and criminally, for making such reports. However, any person who fails to report an instance of child abuse as required by the Child Abuse and Reporting Act is guilty of a misdemeanor, with a punishment not exceed six months, or \$1,000 or both. (Penal Code, § 11172) Every child has the right to grow up without being a victim of child abuse. If you are being abused or if someone you know is, tell a counselor or any adult you trust. You will get the help you need.

CLOSED CAMPUS

All schools in the Elk Grove Unified School District attend a closed campus which means that students may not leave school after they get here. Consequences will be assigned for students who leave campus without permission. Students on another campus during the regular school day without permission will be subject to disciplinary action.

CLUBS

There are many clubs to join on campus. At the beginning of the school year, Samuel Jackman will have club sign-ups in the quad during lunch. The times and dates of club meetings will be announced on the bulletin, posted on the school website and around campus throughout the year.

CONFLICT MANAGEMENT

Conflict Management provides an opportunity for students to be responsible for their behavior on campus and provides a method for them to resolve conflicts with other students. Conflict Management recognizes that students are capable of solving many of their own problems with peer guides to help facilitate. Following 15 hours of training, a team of student Conflict Managers helps students resolve conflicts among themselves. The Conflict Managers are assisted by counselors and other certificated staff. The success of the program requires proper training, a willingness to work together as a team, and the support of all school personnel. Students requesting Conflict Management are encouraged to ask a teacher, campus supervisor, counselor, or administrator for a pass to the office.

COUNSELORS

School counselors are available to assist students with academic and personal problems. Students can make an appointment with a counselor by going to the front office and requesting a **counselor appointment request form**. Students need to first fill out the form and if a counselor is not available at the moment, the counselor will send for you during the day. **Students will need to return to class if their counselor is not available except in the case of an emergency.** Counselors will visit all classes at the beginning of the school year to explain the services counselors can provide. The counseling office can be reached by calling (916) 393-2352.

CREDITS

Students earn 2.5 credits per quarter for each class passed. Students who participate in the after school ASES program have the opportunity to earn additional credits. Parents/Guardians can contact the counseling department at any time for information about their student's academic progress.

DAILY BULLETIN

School events and club meetings are announced in the student bulletin that is read each morning. Students are encouraged to listen and record the dates of important information. The bulletin is also posted on the school website at <http://sjms.egusd.net/>

DANCES

River Hawk students love to dance! School dances are held immediately after school and students must enter the dance within 15 minutes of the start time. Students must have a permission slip on file, a current ID card, and not be on the "No Activities List" to purchase a ticket to the dance. Attendance at Jackman dances requires that both the student and student's parent/guardian sign a dance permission form which is available in the student store. Dances are open ONLY to Jackman students. Certain dance styles are not appropriate to a school dance; sexually suggestive dancing and dancing that simulates violence will not be permitted. Students will be warned and may be required to leave the dance if the behavior continues.

DRESS CODE POLICY

Parents or guardians have the primary responsibility for appropriate standards of dress and grooming. However, as an educational entity, the Secondary Division of the Elk Grove Unified School District has the responsibility to establish and maintain standards of dress and grooming that support a positive, appropriate, and safe learning and teaching environment.

The purpose of a dress and grooming code is to facilitate education, not to inhibit any person's taste in attire or appearance. Students should be clean and neatly dressed in a manner that will be appropriate to the school setting, not hazardous to the health and safety of the students, and not disruptive or distracting from the educational program of the school. In addition, no articles of clothing, apparel or school materials, including hats, backpacks, and binders, may have pictures, printing, or writing that is crude, vulgar, profane, sexually suggestive, racially, ethnically, or religiously intolerant, that contain images of weapons, tobacco, drugs and/or alcohol, or which the school's administration reasonably predicts will disrupt the learning environment.

Specifically, the students at Samuel Jackman are expected to abide by the following dress code:

1. PANTS, SHORTS, SKIRTS:

- No undergarments showing
- No holes, rips or frays higher than mid-thigh
- No "sagging pants"
- No "short shorts" or "short skirts." Shorts, skirts and dresses must not be shorter than mid-thigh
- No pajamas except for flannel pajama bottoms during designated spirit days
- Belts must be tucked around the waist

2. TOPS, SHIRTS, BLOUSES:

- No undergarments showing (including clear bra straps)
- No bare midriffs: tops must completely cover the skin and overlap the waistband of pants, shorts, or skirts. When arms are raised above the student's head, if the garment does not fall naturally below the midriff area, the student is in violation.
- No low cut tops
- No "see-through" or fishnet fabrics
- No halter tops, strapless tops, off the shoulder tops, or bra-like tops
- No muscle shirts

3. FOOTWEAR:

- Shoes must be worn at all times
- No house slippers or "wheelies" are allowed

4. HAT/HEAD COVERING POLICY:

The Elk Grove Unified School District allows students to wear certain types of hats on campus to protect them from damage caused by exposure to the sun. At Samuel Jackman Middle School students may not wear baseball caps and visors with writing and/or images that are deemed by school administration to be disruptive to the learning environment. All cap bills must face forward. Please note that teachers may prohibit the wearing of hats within their individual classrooms as consistent with their respective classroom policies.

In addition, the following rules regarding hats on campus must be observed:

- Bandanas, skull/wave caps, and masks are not permitted on campus
- Grooming items and headwear such as hair rollers, shower caps, hair rags, picks worn in the hair, etc., are not allowed

The school administration may limit or prohibit specific clothing that has been determined by law enforcement or gang experts to be affiliated with an actual gang. In consultation with law enforcement or other gang experts, the school administration may limit clothing or apparel where there is a reasonable basis for identifying such clothing or apparel as gang affiliated. Limitations and prohibitions on gang-related clothing or apparel will be applied equally to all students, and in no instance will a student's clothing or apparel be identified as gang-related based solely on the student's race, national origin or ancestry.

Students failing to comply with the dress code may be asked to call their parents or guardians to bring a change of clothing, may have inappropriate items confiscated, or in the case of repeated violations, may be subject to progressive disciplinary consequences.

DRUG FREE ZONE

Samuel Jackman Middle School is a drug free campus. Students found to have drugs in their possession and/or for sale will be disciplined in accordance with the student discipline policy.

EARLY DISMISSAL

In order to be released from school for an appointment, students must have a note from a parent/guardian. Students should bring the note to the front office before classes begin to receive a leave of grounds pass. Parents need to come into the attendance office to sign the student out.

EARLY OUT WEDNESDAYS, MINIMUM DAYS AND DISMISSAL

It is the policy of Samuel Jackman Middle School to use Wednesdays for staff development, departmental articulation, and professional development. **School dismisses at 1:21pm every Wednesday.** In addition, throughout the year minimum days are scheduled and used by teachers to finalize grades for each quarter and for assessments and professional development. **School dismisses at 12:30pm on minimum days.** Students are expected to head directly home after dismissal. **School dismisses at 2:34pm every other day.** Supervision is provided for 15 minutes after dismissal. For the safety of our students, all students are expected to be picked up or start home within 15 minutes after dismissal. Students who remain on campus without a valid purpose may be assigned consequences.

EIGHTH GRADE PROMOTION CEREMONY

We are excited about a productive year and are looking forward to seeing all of our 8th graders at the Samuel Jackman Middle School Promotion Ceremony. The Promotion Ceremony is an exciting time for students and their families. We are looking forward to this meaningful and joyous event. More details about the Promotion Ceremony will be made available as the school year comes to a close.

While being promoted to the 9th grade is a right that students earn through credits and test scores, participation in the Promotion Ceremony is a **privilege** bestowed upon students who exemplify the high quality of students Samuel Jackman is proud to be sending on to high school. Participation in the Promotion Ceremony requires the following of each student:

- Student must earn at least 50 (out of a possible 60) credits during the 2020-2021 school year.
- Student must have been enrolled in school and have attended 90% of possible school days.
- Student may not receive any more than three days of home suspension in the 4th quarter to be eligible to participate in the promotion ceremony. Students who receive an extended suspension, or commit expellable offenses during the 4th quarter will not participate in the promotion ceremony.
- Student may not have any violation of the Education Code that results in a Home Suspension during the last week of school.
- All assigned detentions must be cleared.

ELIGIBILITY FOR EXTRA-CURRICULAR ACTIVITIES AND ATHLETICS

All students who wish to participate in extra-curricular and co-curricular activities must:

1. Have earned a 2.0 grade point average during the current grading period. Any school on a quarter system will use the grades and credits earned only at the end of each quarter to determine eligibility. A student who receives a failing progress report in any class during the participating season will be removed from participating in the activity, placed on academic probation and will remain on probation until the grade returns to a passing status.
2. Meet standards of satisfactory citizenship. This means no U's.
3. Have a satisfactory attendance record.

Eligibility to Represent the School: All students who represent their school in extra-curricular activities or athletics shall have and maintain good citizenship and the required grade point average. Any student who does not maintain good citizenship and the required grade point average shall not be allowed to represent fellow students, nor the school for a period of time recommended by the student's principal.

Probation Provisions: Students whose academic performance has been affected by a long-term medical problem, personal family duress, tragedy or other conditions beyond the control of the student and family may petition the school for a one-time, academic probationary period not to exceed nine weeks. Requests for probation will be heard by a five-person committee consisting of a site administrator, counselor, classroom teacher, athletic/activity director and one other staff member. The probation committee will determine if the request meets the above criteria. The committee may request written verification of any conditions that affect academic performance. Should probation be granted, the committee will develop a contract between the student, family and school that clearly outlines the extended academic performance expected during the probationary period. A student who does not achieve educational progress as defined by the probationary committee may lose his or her eligibility either during or at the end of the probationary period.

FIELD TRIPS

Jackman field trips are always exciting; however, participation in a field trip is a privilege not a right. Students are responsible for making up the work missed during the field trip. Dress code and other school policies still apply on field trips. **Students must follow all guidelines to be eligible for participation. These guidelines will be provided with each field trip permission form.**

HALL PASSES

It is important that our students are in their classrooms learning and our campus is quiet during the school day. Therefore, all students must have an official hall pass if they are out of their assigned classroom. Any student without a pass will be considered truant from class. Students caught abusing hall passes will lose this privilege and may be assigned additional consequences.

HAWKEYES

HAWKEYES is a group of trained adult parent and community member volunteers who work to create a visible adult presence on our campus. Our greatest needs for volunteers are at arrival, lunchtime and dismissal. Contact the administration or campus supervisors if you would like to be trained to become a HAWKEYES Volunteer.

HEALTH SERVICES

If a student becomes ill, he/she should report to their teacher and request a pass to the main office. Students who are ill must be picked up by a parent or designee whose name appears on the student's registration. Students will not be allowed to walk home. All medication that is to be taken by a student must be cleared through the office. A doctor's note is necessary to allow students to take medication on campus.

HOME AND HOSPITAL PROGRAM

A Request for Home or Hospital Teaching form, signed by a physician, is required to qualify for home or hospital teaching. This request must also be signed by the parent/guardian and the site administrator and sent to the District Office for prior approval. A doctor's request written on her/his letterhead stationery or a prescription pad will be accepted. Please attach it to the **Request for Home or Hospital Teaching form**, which you can obtain from the school office.

HOMEWORK AND MAKE-UP WORK

Students may be assigned up to two hours of homework each night. If students don't have homework, they should read during this time and organize their backpack or binders. Make-up work may be offered after students return to school from an absence. Prior notice of absence should be given to teachers whenever possible so work is ready when the student returns. **It is the student's responsibility to contact teachers and to get make-up work.** The time period for returning completed work for credit is one day for each day of an absence. If a student is going to be absent for more than five days, parents/guardians can request homework through the counselor or front office staff.

Missing and Incomplete Assignments Cause Poor Grades

It is important to understand the power of a missing assignment. Imagine a student who has been assigned two assignments, both worth 10 points. The student earns:

- ✓ 10 points out of 10 (10/10) on the first assignment
- ✓ 0 points out of 10 (0/10) because the second assignment was not turned in

This student now has a total of 10 out of 20 points (10/20) which is an average of 50% and an "F" grade. **In other words, a perfect assignment and a missing assignment make a total grade of "F"!**

HONORS CLASSES

Samuel Jackman Middle School offers a multiple Honors classes to meet student needs. These courses include:

Language Arts: 7th Grade Honors and 8th Grade Honors

Mathematics: 7th Grade Math Accelerated and Math 1

History: 7th Grade Honors World History and 8th Grade Honors US History

IDENTIFICATION CARDS

All students will be provided with a school issued ID card at the beginning of the school year and must carry their ID cards with them at all times. Students must show their ID card if asked by a staff member, when buying tickets and at the entrance to extra-curricular activities, and/or when checking a book out of the library. **Make up ID Cards** can be obtained at the library. Student will have to pay a fee for lost/stolen ID cards.

INTRAMURALS AND LUNCH TIME ACTIVITIES

Throughout the year a variety of organized team sports, individual sports, games, and athletic activities are available to students. In addition, lunchtime activities such as music, outdoor games, dance competitions, and team games will also be available to students during the lunch periods.

LIBRARY-MEDIA SERVICES

A wide range of reading and information resources are available in the school library, which is open most days from 7:30am until 3:00pm. Students may use books, magazines and computers to enrich classroom learning as well as for personal growth and enjoyment. A trained Library Media Teacher is on duty to assist students with their work. A school ID card is required to borrow items from the library. Those items must be returned in good condition by the date due.

LOST AND FOUND

All clothing, book bags, and books found on the campus are placed in the lost and found located in the cafeteria. Money, jewelry, or any other articles of value are turned in to the Main Office. Students may claim these items after proper identification. Lost books will be returned to the library. Samuel Jackman Middle School is not responsible for loss or damage to any item not allowed at school.

Parents, students and staff should immediately report incidents of alleged discrimination, harassment, intimidation and bullying or sexual harassment to the Principal or designee. Students, parents, guardians or any other individuals having questions or concerns or who may wish to file a complaint are urged to first contact the Principal or designee, but if your concerns are not resolved, you may also contact the Associate Superintendent for Human Resources, at (916) 686-7795, for matters involving a potential complaint or concern regarding a district employee. The citizenship grades are determined by the student's ability to arrive prepared for class, cooperate in class, assume responsibility and participate in classroom activities, complete assigned work and maintain a positive attitude in the classroom.

Progress Reports/Deficiency Notices

Weekly or monthly progress reports may be requested of students by their parents. These will need to be obtained from their counselors, signed off by teachers and parents then returned the following Monday. Deficiency Notices are mailed home by the school on a regular basis. A Deficiency Notice means that the student is at risk of failing a class. If a student receives a Deficiency Notice, he/she should talk to their counselor and the teacher about receiving extra help. Parents/Guardians can contact a counselor or teacher at any time for information about their student's progress in class by calling (916) 393-2352.

School officials may search individual students and their property when there is a reasonable suspicion that the search will uncover evidence that the student is violating the law or the rules of the district or the school. The Board urges that discretion, good judgment and common sense be exercised in all cases of search and seizure. The parent/guardian of a student subjected to an individualized search shall be notified by the district as soon after the search as possible.

Failure to serve the consequence will result in additional consequences.

TEXTBOOK CARE

Textbooks, including library books and classroom novels, are a critical part of our instructional program. They are very expensive to replace and, upon checkout, become the responsibility of the student and parent/guardian. Books must be properly covered and brought to and from school daily. Lost or damaged books must be paid for by the student. Students are issued approximately \$250 worth of textbooks each year. Any student with an unpaid book bill will be restricted from participation in school activities including the promotion ceremony.

Book Bags/Backpacks:

Since hall lockers are not available and students are expected to have books, binders, and writing materials with them at all times, it is recommended that a book bag or backpack be used to carry these items to classes and home each day. PE lockers are to be used only for clothing and may not be used for book storage, except during PE classes.

How to Avoid Damaged Books:

- Keep books covered at all times – free book covers are available in the library
- Never toss or throw books or backpacks
- Never leave your backpack or books unattended
- Never leave your books in a classroom
- Keep backpacks protected from water or spills by not carrying liquids in your backpack and protecting your books during the rainy season

VISITORS ON CAMPUS

Adult visitors must register in the main office and adhere to the visitor guidelines. Due to insurance restrictions, it is not permissible to bring small children or infants to school or let them ride school buses. There will be no student visitors during the school day. A non-student on campus is considered trespassing. **Trespassing is a crime.**

The school involves parents of Title I, Part A students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I, Part A programs and the Title I, Part A parent involvement policy (ESSA Section 1116[c][3]).

The school convenes an annual meeting to inform parents about Title I, Part A requirements and about the right of parents to be involved in the Title I, Part A program (ESSA Section 1116[c][1]).

The school offers a flexible number of meetings for Title I, Part A parents, such as meetings in the morning or evening (ESSA Section 1116[c][2]).

The school provides parents of Title I, Part A students with timely information about Title I, Part A programs (ESSA Section 1116(c)(4)[A]).

The school provides parents of Title I, Part A students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet (ESSA Section 1116[c][4][B]).

If requested by parents of Title I, Part A students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children (ESSA Section 1116[c][4][C]).

This School-Level Parent and Family Engagement Policy has been developed jointly with, updated periodically, and agreed on with parents of children participating in Title I, Part A programs.

This policy was adopted by Samuel Jackman Middle School in August 2019 and will be in effect for the period of the entire 2020-2021 school year.

Injuries might also arise from an actual or alleged failure to properly maintain, use, repair, or replace physical facilities or equipment available for Activities. All such risks are deemed to be inherent to the Student's participation in Activities. By this Agreement, the Student and Adult are deemed to fully assume all such risks and, in consideration for the right of the Student to participate in Activities, understand and agree that to the fullest extent allowed by law they are waiving and releasing any potential future claim they might otherwise have been able assert against the District, or any Board Member, employee, agent or volunteer of the District ("Released Parties") by or on behalf of the Student or any parent, administrator, executor, trustee, guardian, assignee or family member and further understand that transportation to or activities at another location are "field trips" or "excursions" for which there is complete immunity pursuant to Education Code § 35330..

5. If the Student believes that an unsafe condition or circumstance exists, or otherwise feels or believes that continued participation in Activities might present a risk of Injury, the Student will immediately discontinue further participation in Activities, notify School personnel of the Student's belief, and notify a parent or guardian of the Student's belief. Any parent or guardian of the Student shall, thereafter, not allow the Student to participate in Activities until the unsafe condition or circumstance is remedied, with any question or concern regarding the alleged existence of the unsafe condition or circumstance addressed to their satisfaction.

6. Emergency medical information regarding the Student is on file with the District and is current. The Adult agrees to provide updated medical information during the course of the Student's participation in Activities. If an injury or medical emergency occurs during Activities, District employees, agents or volunteers have my express permission to administrator or to authorize the administration of urgent or emergency care, including the transportation of the Student to an urgent care or emergency care provider. In such circumstances, notice to me and/or the Emergency Contact of the injury or medical emergency may be delayed. Therefore, any urgent or emergency care provider has my express authority to conduct diagnostic or anesthetic procedures, and/or to provide medical care or treatment (including surgery), as they may deem reasonable or necessary under all existing circumstances. All costs and expenses associated with such care are solely my responsibility. An Adult can only withhold this authorization by filing an Objection to Medical Care (Education 49407) that is based on their personally held religious beliefs.

7. Employees, agents or volunteers of the District, members of the press or media, or other persons who may attend or participate in Activities, may photograph, videotape, or take statements from the Student. Such photographs, videotapes, recordings, or written statements may be published or reproduced in a manner showing the Student's name, face, likeness, voice, thoughts, beliefs, or appearance to third parties, including, without limitation, webcasts, television, motion pictures, films, newspapers, yearbooks, and magazines. Such published or reproduced items, whether or not for a profit, may be used for security, training, advertising, news, publicity, promotional, informational, or any other lawful purpose. I hereby authorize and consent to any such publications or reproductions, without compensation, and without reservation or limitation.

8. This Agreement shall be governed by the laws of the State of California. This Agreement is to be broadly construed to enforce the purposes and agreements set forth above, and shall not be construed against the Released Parties solely on the basis that this Agreement was drafted by the District. If any part of this Agreement is deemed invalid or ineffective, all other provisions shall remain in force. No oral modification of this Agreement, or alleged change or modification of its terms by subsequent conduct or oral statements is allowed. This Agreement contains the sole and exclusive understanding of the parties, with no other representation relied upon by the Adult or Student in determining whether to execute this Agreement or in agreeing to participate in Activities.
