Review of Mariner Marketplace:
- Profits met goal and fell within the average profit for this yearly fundraiser
- MJ suggested a bake sale, as the “food table” generates a lot of revenue. Customers enjoyed the baked goods, as well as the generous donations from local businesses and restaurants.
- President Denise Corson is handing the MMP reigns to Heather Kisilywicz. The members of the PTO thank Denise for her dedication and organization of the Mariner Market Place. It was successful due to her hard work and determination to make each year better than the last. We know Heather is the perfect person to continue this tradition.

Request for Funds:
- In February, Kathleen Couchon (science teacher at NHS) is bringing a group of 13 NHS Juniors to San Diego to present scientific research at the Ocean Science Meeting. With guidance and support from Kathy, the students used their afterschool and personal time to develop scientific research projects, which they will present at the national conference. The students, and 2 teachers chaperones, have worked to fundraise in order to attend. Request Approved for $1,300
- Varsity Athletes Against Substance Abuse (VAASA) and Leaders Educating About Destructive Decisions (LEADD) requested $500. 00 to support their programs, which benefit all students at NHS. Request approved for $500.
