## Learning Reflection: Post-Secondary Project

- **NHS Academic Learning Expectations**
  - 1.1 Communicate effectively using oral, written, and technological formats.
  - 1.3 Read critically and interpret a wide range of materials with varying degrees of complexity.

- **NHS Social and Civic Learning Expectations**
  - 2.4 Set individual goals for continued life-long learning

- **GSE’s**
  - OC–10–2.5 Using a variety of strategies of address (e.g., eye contact, speaking rate, volume, articulation, enunciation, pronunciation, inflection, voice modulation, intonation, rhythm, and gesture) to communicate ideas effectively
  - (Local) OC–10–2.6 Using tools of technology to enhance message

### Open with a hook
- Ask a question.
- State a startling fact about the topic (post-secondary educational options).
- Famous saying or quote

### Name and explain the assignment
- What were you asked to do? (Research, PowerPoint, Presentation)
- What post secondary options did you research?
- Why did you choose these schools?
- Which option did you choose for your PowerPoint?

- What were the steps you went through to accomplish the task?
- What skills did you use/learn in the process?
- Which aspect of the project proved most challenging (research, PowerPoint, presentation)? (Provide examples/details)
- In what areas do you think you still need to improve?
- What personal areas of strength were revealed?

- What have you learned?
- How has completing this project influenced your plans for the future?
