RE: Transportation

Dear Parent(s)/Guardian:

Bus transportation is provided for the students participating in the School-To-Career Transition Program. It is often the case that students like to have alternative transportation. Students in need of such alternatives will need parental permission in order to drive their own vehicle, give a ride to a fellow student and/or ride in another’s student’s vehicle. Please discuss and stress with your child the responsibilities that go along with this privilege. Not going to their placement or taking detours (i.e. stopping for lunch, going to visit the beach, etc.) would be an abuse of this privilege. If any student abuses this privilege it will be revoked and they will be required to utilize the bus that is provided. If you agree, sign and return this permission slip. Should you have any questions or concerns, please feel free to call me or Dick Fossa at 401-792-9400 ext. 4202.

Sincerely,

Mary Ellen Keiser

My parents have spoken to me about my responsibilities. I understand that if I abuse this responsibility in any way I will be required to and agree to ride on the bus provided by the school.
