We are looking forward to meeting with the parents and guardians of our amazing students this month. Hopefully, the teachers have already had a chance to give you a call to introduce themselves or you have walked your student to class and meet the teacher. Conferences are another opportunity for parents to meet teachers and for everyone to celebrate these awesome students.

Conferences will take place on Wednesday, November 10th, and Friday, November 12th. In order to hold conferences this year without worrying about needing to reschedule due to events that are out of our control, we will be using Zoom this year. To sign up for a conference, you will receive a message from your child's teacher through ParentSquare that will allow you to pick a time slot. A confirmation email with the zoom link will be sent to you as confirmation of your time and date.

If you haven't used ParentSquare yet, the QR code below will help you access and download the app on your phone. Users may receive emails and/or text messages when there is a message. Messages are stored in the app so users may go back to reread previous messages.

Dayton Grade School Parents, A “virtual” music holiday program is being planned for our Kindergarten through Fifth grade students this December. It will be titled “*December Nights, Holiday Lights*”. Each grade level will be filmed singing holiday songs such as Frosty the Snowman and Jingle Bell Rock. We look forward to bringing joy to the hearts of our students who will practice for their performance, and the hearts of all who will listen online. Be watching for the December date of when our Dayton Grade School performance will be posted on our website!

Musically yours,  
Mrs. Wilson
