

2021-22 Grade 12 Link Crew Application Information:

In order to apply to next year's Grade 12 Link Crew (IDC4U), students must join the Application Google Classroom using the following code: **tv2fbt7**

Students must follow the instructions posted in the Google Classroom and submit their applications before **8pm on Monday March 8th.**

Please note that once the online course selection is open on Xello, you will need to select up to 8 courses (not including Link Crew). The Link Crew class is NOT available to pick on Xello, as you must apply for it through the Application Google Classroom indicated above. If you are selected by the Application Committee for the Link Crew class, your guidance counselor will contact you to drop one of your choices from Xello.

Thank you and best of luck in the process!
