A Note from the President’s Desk

Dear Kuemper Alumni and Friends,

As I reflect on my 25th year at Kuemper – 8 years of teaching junior high history and geography (I loved it!), 14 years with the Kuemper Foundation, and now in my third year as president, I know I have received more from this great institution and community than what I have given to it. Especially when I consider the twelve years of Catholic education that I received in Carroll during my formative years, I know that this gift of Kuemper will always be a treasure in my life. Many of my 1982 classmates feel the same way. Our 35th class reunion was this past fall and it was a blast. See page 8 to see some of the most handsome 54 year-olds in one photo.

Every year, Catholic schools across the nation like Kuemper celebrate Catholic Schools Week in late January. This year’s theme was Catholic Schools: Learn. Serve. Lead. Succeed. The theme reminds us of the societal benefits of the great gift of Catholic schools. They are a worthwhile investment in our future generating tomorrow’s productive citizens.

But the core mission of Kuemper still revolves around our faith. We are nothing without God. A new mission statement reflecting this was adopted by the Kuemper Board of Education this past September. It was a very comprehensive process revising the school’s old mission statement from 2003, and creating a brand new vision statement. Producing these new decrees was one of the major goals in the board’s long range plan, Growing & Uniting Our Faith, Kuemper Strategic Plan 2017-2022. All school operations are driven by a mission and a vision. If we ever stray in wrong directions, we must look at these statements to help guide us and keep us on the right course. Our new one-sentence Mission Statement is a simple and concise one.

Kuemper’s new Mission Statement is to provide excellent Catholic education of mind, body, and soul to empower all students to achieve to the best of their abilities in fulfillment of God’s call.

The new Vision Statement consists of six points with themes of forming moral students via higher order thinking skills, recognizing our calling from God especially in serving others, continuous improvement in our operations, parental involvement, open communications, and Christian stewardship. Visit our website for the complete Vision Statement.

Thank you for your continuing prayers and support to this great institution educating mind, body and soul. Be proud that you are advancing this essential ministry of Catholic education for future generations.

Go Knights!

John Steffes ’82 | Kuemper President

A Note from the Priest Chaplain

Some things just catch on quickly but then often times go out of popularity as quickly as they had arrived. You can think of some examples: Hello Kitty, Cabbage Patch Kids, and Friendship Bracelets. But some things are trendsetters. Is Facebook around to stay or is it simply a fad? Either way, it is likely that Facebook will have connected most of the world, even people of remote areas in the near future. To date, Facebook has close to 1.2 billion daily users. You and I might see a curious correlation: today there are also approximately 1.2 billion Catholics in the world. I bring this point up because of this starkly contrasting point: Facebook signed up 1.2 billion users in the course of 15 years while the Catholic Church has grown to 1.2 billion members in the course of 2000 years. And yes, I know that I am contrasting apples and oranges – two very different things.

Many of our alumni follow Kuemper’s happenings via our Facebook page, while many of our current students utilize social media apps such as Snapchat and Instagram. Art, literature, games, leisure, movies, music, sharing ideas, working, shopping, and conversations are happening via the Internet and through apps. A not-insignificant part of our lives and culture is taking place either in or via, what Pope Benedict XVI called the ‘digital continent.’ As we and our students traverse this newly discovered – or rather, continually updated – ‘continent’, our personality and humanity is engaged, shaped, and directed, whether for good or for ill.

Our alumni and students also have the opportunity to engage, shape, and direct the unfolding and the culture of this digital continent. Two-thousand years ago, the first disciples and apostles walked the Roman roads and stood in the city forums proclaiming the Good News of Jesus Christ. Although there were Roman persecutions, the Roman road and city system actually assisted the early-Church’s evangelization and catechetical efforts. The same is true for us today. Wherever the Internet goes, so can our message of Jesus Christ.

The message didn’t walk the roads by itself. It was carried by committed, courageous, faith-filled, and formed Christians. People searching for something more on Instagram, Facebook, Twitter, Snapchat, etc. will not encounter the Truth of Jesus Christ, the Beauty of His Church, the Hope, Peace, and Love of the Christian way unless we carry this message onto the digital roads. We are already walking and watching these roads. Let’s not be bystanders, but evangelists, who carry the Good News! Next time you are on your phone take a minute to look up two stunning examples of digital evangelists: Matt Meeks of Los Angeles, whose work has helped form these very thoughts, and Bishop Robert Barron (at WordonFire.org).

Our mission at Kuemper is to empower our students to respond to God’s call in their lives to the best of their abilities. God calls our students and every baptized Christian, Catholic or not, to be evangelists who share the Good News that lifts up every human heart. We are called to magnify Christ in our lives no matter where we are or with whom we speak. We are called to make disciples and to teach all that we have received from the Holy Spirit through the Church. We are to be salt and light as individuals, as communities, and as a school. Will you join your Alma Mater in answering God’s call to step into the digital frontier with your Catholic faith in hand and Christ in your heart? Wherever Facebook is, may Christ’s message also be. Mary, Mother of the New Evangelization, pray for us!

Yours in Christ,

Fr. Brian Feller | Kuemper Priest Chaplain
Annual Alumni Phone-a-Thon

THANK YOU! Again this year, the annual Alumni Phone-a-Thon presented the opportunity for local alumni to reconnect with classmates from all over the country as they reached out to request financial support for Kuemper Catholic Schools. Gifts to the phon-a-thon ranged anywhere from $5 to $7,000. Each and every gift is truly appreciated! Over 175 alumni, faculty, staff, students and friends of Kuemper from the Carroll area made calls. Thirty-two classes (41%) surpassed their 2016 Alumni Phon-A-Thon totals, especially the classes of 1967 and 1977 who challenged their class for their anniversary year. This accomplishment was achieved by the outstanding efforts of many alumni all over the world who so generously support their alma mater and Catholic education.

The successful project, which reached $192,000.00 included $143,650.00 designated for critical needs; $8,010.00 designated for the Father Kuemper Society for tuition assistance; $3,640.00 for the newest category of Teacher Enhancement; and other memorial and miscellaneous designations at $36,700.00. Pledges are still coming in and every donation, large or small, is greatly appreciated.

Serving on the committee to head this project were: Stephanie (Seidl ’06) Bauer, Mary Grossman, and Penny Miller; Alayna (Clancy ’06) Hansen, Kuemper Alumni & Annual Giving Director, coordinated the project. The enthusiasm shared by these chairpersons is unmatched. They created momentum to once again continue the success of the Annual Alumni Phon-a-Thon.

The entire Kuemper Family appreciates all of the support the school has received to make Catholic education a reality for the young people we serve.

Many alumni are familiar with The Charger, a monthly special in the Carroll Daily Times Herald, that spotlights articles and information written by Kuemper students as an extracurricular to showcase their talents. Recently a crew of Kuemper teachers and students have set out to update the mission of The Charger.

The discussion of ‘revolutionizing’ The Charger began with Chad Klein, Jodi Steinbach, and Nancy Peterman, who are all teachers and technology representatives at Kuemper High School. Andrew Klenk, a science teacher and coach, has also joined the leadership team. They began brainstorming ways to get technology into the hands of more students on a daily basis. They wanted to give opportunities for students to be productive, to be good digital citizens, to practice good communication, and to create things that they may not make for their other classes in more of a school-marketing direction. Other schools have programs where students are given opportunities to market the school through social media accounts while communicating with the entire student body. Knowing that Kuemper students would enjoy that and succeed tremendously, it was decided it was “a must” to implement a program with our students similar to that footprint. The thought was introduced to a few student ‘leaders’ on The Charger staff, who have a variety of backgrounds in various activities and were enthusiastic about the concept of change. Still being in the beginning stages of this process, the teachers are empowered with the excitement the students have shown in dedication to provide quality graphics, articles, and videos for The Charger.

The new social version of The Charger is run by the same students who write articles for the original newspaper version. The Charger Moderator and Kuemper Marketing Director, Susie Hulst is excited about this change and is helping to take The Charger to a new and different level by encouraging the students to incorporate the written articles into social media outlets as a way to share information among more students and community members.

Many Kuemper students are off-campus during the day as they attend classes at DMACC and shared courses through Carroll Community School District. These students feel some disconnect from the school as they miss announcements of upcoming events or changes in schedules. They also miss other interactions between students and teachers.

The use of the social media platform of Twitter was started to share information with students and to keep them connected with the Kuemper family. Twitter is one of the most widely used social media platforms for the ages of 13-25. The hope of the leadership team is to continue building an online presence and to include other forms of social media, as well as eventually posting the articles written for the paper on the Kuemper website. Giving The Charger staff an online presence allows them to post updates in real time, including updating students on schedule changes, advertising for upcoming games, events, and activities, and also recapping the many awesome things our students do inside and outside of the classroom.

“Our students are really great to work with on this project. They have a variety of talents and backgrounds they are able to share both in the newspaper and online. It is a really neat way that they can communicate with others while being advocates for Kuemper; showing off how great our students, school and community really are!” --Jodi Steinbach, Kuemper Art Teacher & Charger Leader

As the Kuemper Charger Revision Committee began brainstorming how they were going to revolutionize The Charger, they spoke of a lot of possibilities. The group knew that they needed to create a way to present The Charger as a new entity. Actually, they considered a variety of new names for The Charger in order to create this new feel and show the difference between the ‘older Charger’. Eventually, the decision was made to create a new logo rather than change the name altogether. A new logo was created for The Charger that was centered around the former logo to show the connection. This logo’s job has been to unify our platforms as well as create a fresh new canvas for the updated direction of our paper and social media accounts. The student leadership committee also determined that we need a short catchphrase or slogan. They chose “Keeping You Plugged In” as it is concise but catchy. After speaking with members of the student body, everyone is extremely excited about The Charger’s new presence and see it as something that will continue to grow and expand into the future of Kuemper through its communication. --Draven Haefs, KHS Senior & The Charger Staff

The Charger now has an online presence. As of now, The Charger is on Twitter, but we plan to extend it to other social media outlets such as Facebook and Instagram as well. We want The Charger to be a form of communication within our student body as well as our communities. We are excited that this group, originally focused on writing articles and reporting, has transformed to include other forms of media. Each month, students on The Charger staff are assigned different events that occur throughout the school. With that assignment, students utilize multimedia techniques to share Kuemper’s activities. These multimedia techniques include graphics, videos, polls, photographs, simple text tweets, and writing articles. The Charger account is continuously growing and gaining new followers. Students have enjoyed The Charger’s online presence as they now have access to school updates and information at their fingertips. The Charger is working toward covering everything that has to do with the student body. Tweets are made to share information, to make others aware of upcoming events, and to notify students of changes. We try to cover everything from sports, to the arts, to school cancellations! --Emma Swanger, KHS Senior & The Charger Staff

Meet Miss Dea:
My name is Katherine Dea and I am the new Campus Minister at Kuemper Catholic High School. I graduated in May 2017 from Benedictine College with a degree in theology. I have been working in campus ministry since my sophomore year. My daily responsibilities at Kuemper include leading students in bible studies, planning and organizing class retreats, organizing faith related trips, and overall helping students apply their faith to their daily lives. Some of the faith related trips from this year include bringing students to the diocesan youth conference, vocations visits to convents and seminaries, and the Steubenville youth conference. Most recently we brought 31 students to the March for Life in Washington, DC. It has been such a wonderful experience getting to know students and accompany them in their faith journeys. If you are at Kuemper stop in and say "Hi!" Pictured above: Miss Katherine Dea with students during service day.

Darlene (Fraznwa SA ’43) Chapman, Mountain View, CA. Can’t believe I will be 93 years old. Still am in contact with Betty (Drees SA ’43) Fife, but there are very few that are left in our class. The hardest thing about this age is losing all your friends.

1950’s
Dolores (Meiners SA’50) McCort, Council Bluffs, IA. I’m still doing 2 half days of volunteer programming and trying to keep busy the other days. I don’t have any exciting news, just happy for all the good days and thankful to be able to be in my own home.

Donna (Nollen ’54) & Lambert Klocke, Rockwell City, IA. We are spending our 36th winter at our home in Arizona where we swim, bike and hike. Hello to all my classmates. Luas Deo for all our blessings.

LaVonne (Kuker ’56) & Leon Wernimont, Carroll, IA. We currently have 3 grandchildren in the Kuemper system. We are very involved in their activities. Keeps us young! I have volunteered for many groups and organizations over the years.

Letha (Niehaus ’57) & Larry Gillis, Lakewood Ranch, FL. Thanks to the committee who planned our great reunion! Good job, Bob & Jack!

Margaret (Behrens ’57) & Joseph Gollobit, Omaha, NE. We have 4 children, 11 grandchildren and 12 great-grandchildren. Among them are a physician, nurses, lawyer, chiropractor, police chief, banking specialist, engineer, computer specialist and teachers. We have been so blessed!

Robert ’57 & Janean Haukap, Carroll, IA. We had a nice turnout at our 60th class reunion last fall. Kuemper has an Alumni Director (Alayna Hansen) that helped greatly in putting it together.

Adella (Hoffman ’57) & John Vogl, Adair, IA. I thoroughly enjoyed our 60th class reunion. Thanks to those who organized it. It was a fun evening.

Tom ’58 & Sharon (Langenfeld ’58) Collison, Arcadia, IA. Tom and I want to remind our classmates of our 60th class reunion next Sept. or Oct. 2018. Hope to see you there! Information & dates will be sent next spring. Mark your calendars!

Ruth (Nair ’58) Jensen, Enjoy the KnightLetter. Spend time with sons and grandkids. Have one great-grandson, 2 years old and another on the way. Getting ready for holidays with family.

Elaine (Scheck ’58) & Ray Nieland, Carroll, IA. I love the KnightLetter. It is great to hear how everyone is doing and the great support Kuemper receives from alumni.

Mark & Betty (Scheck ’59) Schwery, Vail, IA. It was great to see many involved at Vail’s Sesquicentennial celebration last summer. We know how exciting this is for continuing support of Catholic education. We were delighted to see John Steffes, some staff from KCHS, and the cheerleaders and band in our parade. Thanks for keeping Kuemper alive with all your participation. Have a great year.

Kay (Cavanaugh ’59) Tyrrell, Naples, FL. I always enjoy the summers in Iowa, seeing classmates, friends and relatives. My home in Naples survived the hurricane with not much damage. Lots of trees down in our area and a lot of water. With power off so long, it made us remember our youth with no air conditioning and only fans.

Vicki (Klocke ’59) Von Bod, Ullad, KS. I still live on 10 acres, The River Valley Ranch, where I see lots of wildlife; deer, turkey, armadillo, porcupine, snakes and opossum. I have 12 grandchildren (one deceased) and number 19 grand-grand-child on the way. No quilt sewing this year, too much volunteering on church projects. I’m on the stewardship committee, Altar Society, Legion of Mary Prayer Line, Secretary of Harvest House age 55 and older. I am coordinator of the Vocations 31 Club. We have 51 members who pray on a specified date for all vocations, especially for religious vocations. We currently have 2 priests and 1 seminarian and 2 nuns from St. Michael’s Parish. I was hostess 4 ½ days for Prayer in Action Youth Group for Catalohics, who donate time to help the elderly. I am now recovering from major eye surgery and concussion from two falls. I’m a survivor after 11 years of a divorce. May God Bless all of my classmates.

1960’s
David ’60 & Marcia Heithoff, Harrison, AR. Can’t travel due to health issues. Keep up on Facebook with 14 grandchildren & great-grandchildren. Found interesting lineages including Japan, Philippines, Uzbekistan and Sioux Indian.

Jolene (Grossman ’60) & Louis Wessling, Dunlap, IA. I am retired, but volunteer for the Dunlap Food Pantry, Senior Center & Dunlap Historical Society. I also help with weekly bulletins for St. Patrick’s Catholic Church. Otherwise, trying to stay healthy. We lost our 35 yr. old grandson to a cancerous brain tumor in 2016.

Dave ’61 & Roberta Weeks, Seymour, IA. Retired in 2007 and enjoying golf, woodworking, gardening after spending 42 years in education.

Jan (Grossman ’62) & Raymond Irlebeck, Manning, IA. We have 9 grandchildren and 4 great-grandchildren. We’ve been married 54 years and are both active and doing well.

Jim ’62 & Joyce (Kerkhoff ’63) Masching, Carroll, IA. Looking forward to seeing classmates at our 55th class reunion in August 2018. Let’s have a good turnout. We have to look to God now to grant us the ability to attend. See you then.

Marie (Connors ’62) & Jay Whannel, Traer, IA. Kuemper taught me much and instilled a love for learning. Learning really is a lifelong process.

Judy (Pudenz ’63) Masching, Worthington, MN. Looking forward to our 55th reunion next year.

Leo ’63 & Kathleen Schettler, Denver, CO. Greetings to everyone from the great “unified” class of 1963. Mark your calendars and save the date, Aug. 4, 2018, for our 55th class reunion at Swan Lake State Park. Don’t miss this one! Life is good in Denver, CO with my wonderful wife of 48 years, Kathleen Marie, our three grown kids & their mates, plus five grandsons. We are both retired special education teachers, now enjoying travel, gardening, photography, bridge, pottery, discussion groups and hanging out with friends. See you in August!

Dale ’63 & Paula Schrad, Cedar Falls, IA. We have 3 sons and 6 grandchildren. I am retired from being a plant manager at Omega Cabinets. I enjoy golf, woodworking, and am an active Lions Club member.

Rev. James Tiggies ’63, Fort Dodge, IA. I am into my second year of retirement at Friendship Haven, Fort Dodge. I enjoy saying weekly Masses, visiting, anointing, and helping with other religious services for staff and residents. Retirement is busy – but cool!! Enjoying a little more traveling in my spare (7) time!

Sheryl (Underberg ’63) & Leslie Wegner, Carroll, IA. My husband and I have not been able to slow down long enough to retire yet. I enjoy my job with a home health care company and my husband farms and trucks. We have 3 great grandkids living in Carroll and enjoy them. We get to many Kuemper sports events and see lots of Kuemper classmates there. Go Kuemper!

Shirley (Naberhaus ’64) & Bill Jordan, Manchester, NH. My husband and I are retired. Enjoy our two grandchildren. Jacob is seven and Emily is five. On my 70th birthday, we all (including son, wife and grandkids) made it back to Halbur to celebrate. Was great to see family & friends. Even got together with the 108 girls of Carroll. Enjoy the newsletter.

Kris (Brinkman ’64) Mueller, Sioux City, IA. Retirement has been great. I’m finally using up my stash of material by making quilts and purses. My sister, cousin & I have started a business called “Just B Quiltz” and are selling our creations at craft fairs. Always love coming back to Carroll. I have only fond memories of growing up there.

Maury ’64 & Sue Nieland, Okemos, MI. Went to Carbondale, IL last August with my son and his two kids to see the total solar eclipse only to have a cloud obscure the event for five or six minutes during the two minutes and forty seconds of “total eclipse”. Did hear the crickets start to chirp and the street lights came on at 1:20 in the afternoon, so at least that was something! Go Knights!

Tom ’64 & Suzy (Anthofer ’64) Rutten, Naples, FL. We divide our time between West Lake Okoboji (5 mo.) and Naples, FL (7 mo.), so we are on permanent vacation. God has blessed us with one son and wonderful daughter-in-law who have given us two smart grandchildren. Jozie is 13 and Max is 11. Hi to all classmates. Life is good.

Sr. Mary Walz, D.C., ’64, Durant, MS. After 13 years in St. Louis, I’ve been missioned to Mississippi to begin a new ministry in Lexington, MS. As the social worker at a small medical clinic. Two other sisters and I arrived on November 20, 2017!

Linda (Riesselman ’65) Gilliland, Leavenworth, KS. Proud to have my niece, Susie (Riesselman ’05) Hulst, as part of the Kuemper family, serving as Marketing/Enrollment Director.

David ’65 & Janis Hannasch, Atlantic, IA. We are retired and live half of the year in Florida.

ted Grote ’66, Gibson City, IL. Retired & Loving it!

Robert ’67 & Susan Buchheit, Ft. Worth, TX. I have had a 35 year career in non-profit fund development and am currently employed by the Jerusalem Institute of Justice; a religious freedom advocacy organization in Jerusalem, Israel, heading US fundraising and grant development.

Kuemper classmates there. Go Kuemper!

Cathy Burgess ’67, Edinburgh, Scotland/ Omaha, NE. Thank you for a great reunion! I loved seeing and talking with numerous classmates and only wish I’d had even more time to connect with people. Thanks too, for the “honoring” and “remembrance” ceremonies for classmates who are veterans and those who have died. Those were healing experiences.

Jame (Schechinger ’67) & Gary Christiansen, Norfolk, NE. What great fun it was to be honored at Kuemper Homecoming last year. It was so great to see all of the classmates that could attend. Thank you to Fr. Alan for the Mass, and thanks to the reunion committee.

Joan (Bruening ’67) & Dave Kerwood, Boone, IA. Enjoy being retired. I spend time volunteering & enjoy spending time with friends, family and grandkids. Life is good. Keeping everyone in my prayers.
Brother Dale Mooney ’67, Browning, MT. Now in my sixth year in Browning, MT. This is the eastern entrance to Glacier National Park. Small school for grades 4-8 serving 75 Blackfeet Indian children. Celebrated my 50th Jubilee as a De La Salle Christian Brother at a Mass in Romeoville, IL during the month of July. Kuepmier did a great job raising possibilities for me. I continue to serve in fantastic places.

Kay (Riesberg ’67) & Joe Roberts, Carroll, IA. Joe & I were fortunate to be able to spend time with our kids and grandkids this summer. They live in KS, TN and Iowa. Some of them traveled with us to my nephew’s wedding in San Diego. We had a rather busy year, traveling with family and visiting friends.

Mary (Montgomery ’67) & James Soloperto, Worcester, MA. I just want to say “thank you” to all the organizers of the 50th year reunion of the class of 1967. It was so great to see all my classmates. Thanks to all.

Gallanne (Lehrkamp ’71) Rhoades, Blair, NE. All is well in Blair. Ed’s son blessed us with a grandson this year. She is adorable. Wishing all peace & harmony in this crazy world and God leads us to the door that makes us all kind & loving people that we are intended to be as we have always been.

Carol (Dalhoff ’76) & David Franzina, Dallas, TX. In 2016, David & I created a business for our semi-retired years. We are the 2 Do-ers, getting your to-do list done! Being self-employed has worked out great for us and given us the freedom to visit our relatives in Iowa for extended periods of time. We look forward to many more extended trips throughout the 48 states in 2018.

Memorials

The Memorial Page of the KnightLetter is a very special section of our alumni paper. There are many special occasions during our lives when we choose to memorialize or honor in a special way those we hold dear, whether deceased or living. It helps us recall the special people in our lives that now live in peace with God, but whose memory continues to live on.

Memorial gifts can be designated anytime. Living Memorials can also be established for people who are still alive.

The following memorials have been established, or added to, since the Fall, 2017 newsletter.

**A COMPLETE LIST OF ALL MEMORIALS IS LISTED ON THE KUEMPER WEBSITE.**

These contributions are placed in Kuemper’s endowment as perpetual memorials of Kuemper loved ones. Memorials and benefactors of our Catholic schools are remembered in Kuemper student Masses and chapel services.

**Kuemper Foundation**
The Kuemper Foundation receives gifts, including from estates, in memory and in honor of individuals and families, both living and deceased.

IRA TAX BREAK PERMANENT
Tax Planning Opportunity

The Kuemper Catholic School Foundation is a qualified charity that is recognized as a 501(c)(3) organization. Congress has made permanent the allowance of taxpayers who are at least 70 ½ years old to make up to $100,000 in qualified charitable distributions from their Individual Retirement Accounts (IRAs) without including the distribution in their federal income each year.

Taxpayers can now make contributions at any point during the year. Transfers to Kuemper will continue to be deemed as part of the Required Minimum Distribution (RMD) calculation that is required for taxpayers when they attain the age 70 ½ and own IRAs.

Contact your tax advisor and/or financial planner to determine how this law could affect your current individual income tax and/or your long-term estate planning situation.

The Kuemper Tomorrow Capital Campaign now totals $5,246,450 in gifts and pledges. As you can see below, many projects have been completed, including the new 26,000 square foot facility. The two remaining components to complete include strengthening the Kuemper Foundation Fr. Kuemper Society Tuition Assistance Fund and the Teacher Salary Enhancement Fund. Thanks to loyal investors like you, Kuemper can retain top teachers and keep education more affordable for families!

- Upgrade wireless internet infrastructure technology needs at all centers.
- Create KuemperCares before and after school Child Care Program
- Renovate 1) St. Francis of Assisi Chapel; 2) Sr. Francis Xavier Seidl science labs; 3) High school entrance and administrative offices
- Install security systems at all building entrances
- Construct new Fieldhouse
- Expand Teacher Salary Enhancement Fund
- Expand Father Kuemper Society Tuition Assistance Program

Kuemper friends can still be a part of the exciting historic campaign. Visit Kuemper’s website or contact Sharon Olerich in the Kuemper Foundation Office at (712) 794-1877 or email srolerich@kuemper.org.

Eternal Knights are those visionary friends who have made the ultimate expression of their faith in Catholic education by remembering Kuemper in their estate plans.

You can become an Eternal Knight by making a gift to Kuemper that costs nothing during your lifetime. Plan and invest in the future today.

We thank everyone who has notified us of gifts they are making through their will or other estate plans to continue Kuemper’s mission, traditions and core values for the future. If you have included a gift for Kuemper in your plans, we invite you to let us know by calling Sharon Olerich at (712) 794-1877 or emailing srolerich@kuemper.org.

God bless our newest Eternal Knights – Tom & Jean (Greteman ’69) Farner, Tim & Ann (Brenny ’74) Fitzpatrick, Tom ’66 & Pat (Pietig ’67) Louis, Ron & Helen (Berg ’57) Sundrup, Chuck & Mary (Sander ’70) Thatcher, Pat G. Venteicher ’93, Patricia Vogl ’70 and Lois Ann Vonnahme.

Eternal Knights Access to New Fieldhouse

Members of the Eternal Knights were recently invited to receive a permanent walking pass at the new Fieldhouse in appreciation for their vision of Kuemper for the future. The Eternal Knight Program was established in 2001. Today there are currently 178 members listed on a plaque inside the high school front entrance. The program recognizes those people who have elevated Kuemper to the level of a family member by including our Catholic schools in their final estate plans. They have a deep love for Kuemper and realize it will be here forever.

Willey native and St. Angela Academy graduate, Helen M. Schmitz, died in 2015.

Tomorrow, her wise legacy gift will ensure Kuemper music students can afford a Catholic education. Helen was a proud 1944 St. Angela Academy graduate from Willey. She was a member of St. Mary’s Choir, enjoyed many types of music, and loved to sing and play the piano. Her generosity continues today through a gift to the Foundation for music and fine art tuition scholarships.

Helen is advancing the mission of Catholic education today and for tomorrow. Include the Kuemper Foundation in your will or estate plan. Contact your attorney, financial advisor or the Kuemper Foundation to learn how.
**34th Annual Friends of Kuemper Ball**

The 34th Annual Friends of Kuemper Ball will be celebrated on May 5, 2018 at the Kuemper Fieldhouse! This year’s Ball, “Generations of Pride”, will celebrate all who have come together over the years to make up the Kuemper Catholic School Family. Our focus will be students, staff, alumni, parents, and supporters from the very beginning of Catholic Education in Carroll County through today.

The 2017 Kuemper Ball raised over $600,000; the Ball is the largest single fundraiser at Kuemper Catholic Schools. These funds allow Kuemper to enhance the learning environment by upgrading equipment, increasing teacher compensation, providing tuition assistance, and assisting in offsetting costs for critical capital needs. The Ball allows us to continue the tradition of excellence for which Kuemper prides itself.

Through the generosity of many donors, the educational and spiritual activities of Kuemper Catholic School will continue to provide the next generation of community leaders. Please join us as our special guest on May 5th for a memorable night celebrating “Generations of Pride.” The buffet dinner will be served from 5:00 – 9:00 p.m. New this year, the Fred Gazzo Band from Des Moines will provide entertainment from 5:00 - 8:00 p.m. Ag & Vehicle Raffle drawings and Grand Total Announcements will begin at 8 p.m. Music by “A Time Of Your Life” – Kuemper alumnus, Scott Masching ’94, will top off the evening from 8:30 p.m. – 12:30 a.m.

We chose “Generations of Pride” as this year’s Kuemper Ball theme to pay tribute to the significant role that Catholic education has played in this area for many generations. Since the first Catholic school opened in Carroll County in Mt. Carmel in 1874, Catholic education has been changing lives and impacting our families and our communities.
