Kuemper Catholic School System’s mission is to provide excellent Catholic education of mind, body, and soul to empower all students to achieve to the best of their abilities in fulfillment of God’s call.
The Shield

The origin of the Kuemper shield evolves from the legend of King Arthur and his Knights. Chivalry was Knighthood’s code of behavior. A true Knight had faith and a deep love of the Christian faith. He was ready to defend, and if necessary, die for the Church. A Knight championed right against injustice and evil, and never surrendered or flinched in the face of the enemy.

The cross which is superimposed on the Kuemper shield is the central point of concentration. Constantine, a pagan emperor, was walking under the stars one evening before a battle he was to fight the next day. As he looked into the sky, he saw a cross surrounded by the words, “In This Sign You Shall Conquer.” Constantine, not yet a Christian, understood only vaguely the symbolism of the cross, but he had it placed on the shields of all his men. His victory in battle the next day led to his victory of faith. Later in life he became a Christian.

In this sign, Kuemper Knights too shall conquer . . . conquer themselves and conquer the forces of evil that sometimes surround them.

The scroll to the left of the cross on the shield proper represents Natural Knowledge. The book to the right illustrates Sacred Scriptures. Both together symbolize the Unity of Truth, who is God.

The K, a symbol of all Kuemper students and faculty, appears in the lower half of the escutcheon. Truth in all aspects, wherever it is found, is the object, the goal sought by Kuemper Catholic School System.

School Song: When the Irish Backs Go Marching By

We’re going to cheer, cheer for Kuemper High
We’re going to fight, fight, fight, we’ll do or die
We’ll cheer the Knights on to fame as we win this game
Success or failure, we’ll be the same
Because we’re loyal to our Kuemper Knights
Who fought so bravely for their rights
We’re right behind you Kuemper all the way
We want this victory as ours today!

The Lord is my strength and my shield;
In Him my heart trusts.
- Psalm 28:7

MISSION
Kuemper Catholic School’s mission is to provide excellent Catholic education of mind, body, and soul to empower all students to achieve to the best of their abilities in fulfillment of God’s call.

VISION STATEMENT
The Kuemper Catholic School System will be known as a leader in the development of the whole person - spiritually, academically, and socially. Recognizing our human dignity and guided by Jesus Christ, our students will be enriched by a sacramental life to become lifelong disciples of Christ. By invoking the wisdom of the Holy Spirit, the Kuemper Family will strive to ensure an environment that includes:
1. Formation of moral students to be prepared for the future through emphasis on critical thinking, problem solving, and decision making skills.
2. Spiritual development that recognizes God’s call for each person with a focus on service.
3. Employing continuous improvement strategies to develop excellence in academic achievement, faith formation, and school activities.
4. Empower parents as primary educators by actively involving them in service and support of the schools.
5. Transparent communication by collaborating with parents, alumni, and community supporters to provide feedback on shared results and progress.
6. Accepting the role of stewardship that offers accessibility and ensures financial stability through contributions of parishes, alumni, families, and community.

LONG-RANGE GOALS
All Grades K-12 students at Kuemper Catholic School will:
1. Achieve at high levels in knowledge of their Catholic religion.
2. Achieve at high levels in reading comprehension.
3. Achieve at high levels in mathematics.
4. Achieve at high levels in science.
5. Demonstrate competence in 21st Century skills including 5 C’s (Christ, communication, collaboration, creativity and critical thinking).
6. Demonstrate stewardship, leadership, and service in their school, parish, and community.
7. Experience a safe and accepting school community.
8. Be socially responsible, cooperate with peers and teachers/principals, and accept individual differences.

STUDENT ACHIEVEMENT
Student achievement is measured daily in our classrooms in a variety of ways, both formally and informally. Classroom activities, discussions, projects, and tests are some of the tools used to evaluate each student’s progress. Additionally, students participate in assessments that enable us to measure our learning success in comparison with others in the state and nation. Our selected comparison measures for reading, math, science and social studies are from the ISASP (Iowa Statewide Assessment of Student Progress), FastBridge Assessments, STAR Assessments, common formative and summative assessments in certain disciplines, plus religion based on ACRE (Assessment of Catechesis Religious Education).

INTRODUCTION
This handbook provides basic information about the Kuemper Catholic School System for both students and parents. The guidelines and other information contained in this book will be valuable to students as they strive to become successful and responsible citizens of our school community. It is the primary objective of the Kuemper Catholic School System to assist students in becoming Christian citizens who exhibit respect and responsibility.

Every student and parent is expected to be familiar with this information. While not every situation or circumstance is covered in this handbook, the observance of these policies will result in good order and a school environment that will be conducive to academic and personal growth. Changes and modifications will be made as necessary and posted on the website. The Board of Education makes the final determination as to the establishment of policies and the administration is responsible for implementation.

Situations that are not explicitly covered in this handbook will be resolved by the Kuemper Administration Team. Rulings will be determined based on the discipline philosophy of the Kuemper Catholic School System. The latest version of this handbook can be found at www.kuemper.org
ACTIVITY CODE (7-12)

An important part of students’ education is their voluntary participation in many extra-curricular activities offered. Students who choose to participate accept the responsibilities and rules associated with each activity. The school regards participation in any of the extra-curricular activities as a privilege, reflecting Kuemper’s values as a Catholic School. Parents should make sure that students balance their time and energy so that participation in extracurricular activities does not become a detriment to the student’s education, family, and parish life.

1. **Academic Eligibility:** To be eligible to participate in any activity or club, a 7th - 12th grade student cannot have a failing grade in their courses.
   - a. Weekly ineligibility list will be compiled each Friday at 9:00 AM, beginning with the third week of the semester.
   - b. The period of ineligibility will run for one week, starting the Friday the report has been run. Students are ineligible Friday through Thursday the next week.
     - If grades improve and the student meets our eligibility requirements after one week, the student will be reinstated.
   - c. Once a student is deemed ineligible, the student, parent/guardian, KCCS Activities Director, and coach will be notified by administration or their designee.
   - d. During the week of ineligibility, the student will be required to attend after school intervention time on both Monday and Tuesday from 3:20-4:00 and have their grades back in good standing.
     - Students may participate in practice following intervention time, however, school transportation will not be provided.

Work must be completed and turned in on Wednesdays by 4:00 PM to allow teachers sufficient time to grade student work prior to the ineligibility list being compiled.

2. **Medical Eligibility:** No student shall participate in an athletic activity without filing a completed physical clearing the student for participation. The physical is valid for 12 months.

3. **Concussion Policy:** Every athlete must be in 100% compliance with Iowa Code, Section 280.13C. This means free to participate with no concussion restrictions.

4. **Exemplary Conduct Code:** Students must be eligible to participate under the rules and penalties set forth in the Kuemper.
   - The Exemplary Conduct Code is enacted to reflect the idea that all students who represent Kuemper Catholic School make a commitment to higher standards of behavior. These standards reflect the values Kuemper stands for as a Catholic school. The school wishes to work with the parents so that each student gets a very clear message from the home and the school that alcohol and other drugs, tobacco, and tobacco look alike products and criminal behavior are detrimental to Kuemper Catholic School or to the physical, mental, emotional, and spiritual welfare of the student.
   - It should be emphasized that this is a school code and not a legal code. Therefore, this code will be applied separately and independently of any legal or court decision on the basis of the evidence of the infractions as determined by school authorities.
   - **Exemplary Conduct:**
     - Students whose conduct and/or habits, both in and out of school, during the school year, or during the summer months, regardless of their age, are such to make them unworthy to represent the ideals and principles of this school, shall be in violation of the Exemplary Conduct Code as follows:
       1. **Zero Tolerance** - Students who place themselves in, or remain at, a situation where alcohol or drugs are present, are in violation of the Exemplary Conduct Code. School authorities will use the results of information they have gathered, breathalyzer tests, and police reports to determine violations.
         - a) Kuemper Catholic School believes that our students represent our school and should not be present at parties or other social functions where alcohol or other drugs are being used or consumed illegally by minors whether or not the students involved are actually drinking or using controlled substances themselves. The presence of our students at such parties or in such situations sends a message to others that illegal use of alcohol and other drugs is acceptable. Students confronted with this situation have two choices:
           - (1) Leave immediately. (An intention to leave is not acceptable.)
           - (2) Stay and assume the consequences as listed below.
       2. **Consequences** - Students admitting to or being convicted of a crime, except for a simple misdemeanor; using tobacco, alcoholic beverages or other illegal drugs; selling and/or distributing alcohol or other drugs; or using prescription or non-prescription drugs in an abusive manner are in violation of the Exemplary Conduct Code.
         - a) These penalties include suspension from participation in activities or community service. All suspensions include suspension from attending events. These violations are cumulative for a students entire academic career. For example: a 1st offense freshman year becomes a second offense on the next violation whether it occurs sophomore, junior, or senior year. For a student not currently in an activity the suspension carries over to their next activity; for those students who never participate in a Kuemper activity their consequence is outlined in each step below. These offenses are served consecutively, not concurrently: if a student gets two offenses before their next activity they must complete both consequences before they are eligible.
           - (1) **First Violation** - A suspension from attendance at and participation in all school events/activities and notification of parents. The period of suspension will be as follows: The student will be suspended from a number of games equal to 25% of the total number of competitions in the season, for the level of competition they most regularly participate in, or higher. All numbers for the purposes of determining suspension will be rounded up. If the suspensions cannot be served in
that season, they will carry over for the next sport. For example: A varsity football player has 12 games in a regular season. That player is suspended from 3 varsity games. Example 2: A JV basketball player has 17 games in a season. They would be suspended for 5 games (4.25 rounded up) of either JV or Varsity competition. If the student is in a non-sporting activity they would be suspended from 1 performance. Example: The student is in the fall play, there are 3 performances and they are suspended for 1 performance. If the student is not involved in extracurricular activities the student will complete 20 hours of community service as directed by Kuemper Catholic School. The 20 hours of community service must be completed within 30 days or the student remains suspended from all activities until the community service hours are completed. A student who indicates they do not and will not participate in activities and completes the service hours, but then within one calendar year goes out for a sport will have to sit 1 competition.

(2) Second Violation - A suspension from attendance at and participation in all school events/activities and notification of parents. The period of suspension will be as follows: The student will be suspended from a number of games equalling 50% of the total number of competitions in the season, for the level of competition they most regularly participate in, or higher. All numbers for the purposes of determining suspension will be rounded up. If the suspensions cannot be served in that season, they will carry over for the next sport. For example: A varsity football player has 12 games in a regular season. That player is suspended from 6 varsity games. Example 2: A JV basketball player has 17 games in a season. They would be suspended for 9 games (8.5 rounded up) of either JV or Varsity competition. If the student is in a non-sporting activity they would be suspended from 2 performances. Example: The student is in the fall play, there are 3 performances and they are suspended for 2 performances. If the student is not involved in extracurricular activities the student will complete 40 hours of community service as directed by Catholic School. The 40 hours of community service must be completed within 30 days or the student remains suspended from all activities until the community service hours are completed. Students must complete their community service hours before they may take their semester exams.

(3) Third Violation - A suspension (calendar days) from attendance at and participation in all school events/activities for the remainder of the season. If the student is not involved in extracurricular activities or does not miss an opportunity to perform or compete, the student will complete 60 hours of community service as directed by Kuemper Catholic School. The 60 hours of community service and appropriate counseling, approved by the administration, must be completed within 60 days or the student remains suspended from all activities until the community service hours are completed. Students must complete their community service hours before they may take their semester exams. Following the third violation, there will be a parent/student conference with school officials.

(4) Fourth Violation - A year long suspension from attendance at and participation in all school events/activities. If the student is not involved in extracurricular activities or does not miss an opportunity to perform or compete, the student will complete 80 hours of community service as directed by Kuemper Catholic School.

(a) The 80 hours of community service and appropriate counseling, approved by the administration, must be completed within 6 months or the student faces expulsion from Kuemper. Students may request a hearing by the Review board.

(5) Fifth Violation - The privilege to attend KCSS will be revoked. Students may request a hearing by the Review Board.

   a) Each activity sponsor, director, or coach has the prerogative to add additional requirements to this policy pertaining to the activity with a goal of enhancing a student’s life long success. These requirements and resulting consequences may not conflict with, or supersede, this code as explained in this handbook. Examples of additional regulations would include diet, safety, physical training rules, curfew attendance, etc. A copy of these rules should be filed with the Activities Director before the activity starts and rules are distributed.

   b) A student who self-reports will have to serve a 20% suspension rather than 25%. A one suspension reduction in the penalty for the 1st violation. There is no change in the penalty for the 2nd, 3rd, 4th and 5th violation regardless of reporting or not reporting.

   c) The period of ineligibility for a violation of the code starts the day the student admits to the violation, or the day it is determined by the school authorities that the student was in violation of the code, whichever occurs first. The administration determines the period of ineligibility.

   d) There shall be a written or phone message given to the home, or a conference between the student, parents, and the coach/moderator/director at the time the penalty is applied to clarify any questions and to help prevent any further violations.

   e) Information received from students and/or parents who voluntarily seek help from school authorities concerning a student’s use of alcohol and/or other illegal drugs before being found to be using or possessing such substances by school or law officials will be maintained in confidence and will not serve as a basis for disciplinary action. However, this does not provide immunity from disciplinary action should the student continue to use or distribute alcohol or drugs.

   f) The school will act on alleged violations of this code that are reported by legal authorities, by eyewitneses who are administrators or staff of other schools, by any member of the school’s staff, or a student involved in
the incident. The school will regularly consult with city, county, and state law enforcement agencies and act upon information released about students relating to the Exemplary Conduct Code. Parents, even though not eyewitnesses, may report their own children. Parents are encouraged to develop character in their student by having the student voluntarily come forward, be honest, and take responsibility for his/her actions.

**g)** In order to protect the reputation of all Kuemper students, information concerning a student’s violation of the Exemplary Conduct Code is considered confidential. To protect a student’s confidentiality, the administration and faculty cannot respond to specific inquiries about the implementation of this code other than those made by the student or his/her parent or guardian.

**h)** Any student declared ineligible under the prior school district’s Exemplary Conduct Code, and then without having completed the full period of ineligibility at that school transfers to Kuemper Catholic School, will not be eligible for interscholastic competition or to represent the school in any activity at Kuemper Catholic School, until the full period of ineligibility has been completed. After the period of ineligibility has been completed, the student is immediately eligible to represent the school as far as any Exemplary Conduct Code is concerned.

**i)** Students who are ineligible may practice with an activity or team as long as they do not become a detriment to the team or activity. If the student’s attitude and/or behavior is detrimental to the goals and purposes of an activity, the activity moderator, director, or coach, in consultation with the principal, has the right to dismiss the student from the activity.

**j)** Students refusing to take a breathalyzer test requested by a school or law enforcement official will be considered in violation of the Exemplary Conduct Code.

4. Violations of this policy may impact membership in student organizations. In the event that a situation occurs which is not covered in this code, the principal will provide a ruling based upon the intentions of this code.

5. This Activity Code covers all athletic, extracurricular activities as well as extracurricular fine arts activities such as Speech, etc. It does not necessarily apply to co-curricular activities which occur outside of the school day but are a graded part of a class such as marching band.

6. In order to participate in a competition, students must be present for all class periods, but if tardy to first period so long as they have fewer than 5 total tardies in the semester they may compete. Students must be in attendance from 11:30 a.m. to the end of the day in order to participate in practice on that same day.

7. Practices and rehearsals are to be completed and students must be out of the building/facility no later than 9:30 p.m. Students participating in sports, music, speech, etc., are subject to rules of the respective state association. Students who miss class or work because of participation in activities are required to personally inform their teachers at least one day in advance. Those who fail to do so are subject to the penalties for missed class work listed under the “unexcused absence” section of the handbook.

8. When a student is scheduled to participate in two different activities on the same day, state-sponsored tournaments or contests will take priority. In all other conflicts, the student and Activity Director will conference to decide which activity he/she will participate in and notify the coach/moderator in a timely manner so adjustments can be made. Failure to do so could result in a penalty from the coach/moderator.

**ACTIVITY PASSES**

An Activity Pass will be issued during the first week of school to all students in Kindergarten – 12th grade. The pass will be used for admission to regular, non-tournament home events only. The student needs to scan their activity pass at the ticket booth for entry.

**AGENDAS/PLANNER**

Each student in grades 2-5, 9-12 receives an agenda/planner at the beginning of the school year. The purpose of the agenda is to help students be organized, manage time wisely, and provide communication about assignments among students, teachers, and parents. Students are to carry and use their agendas on a daily basis. A $5 fee will be charged for a replacement agenda.

**HALL PASSES (Grades 9-12)**

When a student needs to leave a classroom or study hall, he/she must obtain a pass from the supervising teacher. The pass is the student’s proof of permission to be out of the classroom or study hall. Classroom teachers must sign and write the departure time on the pass. Students must return to their assigned classroom/study hall before the end of the period to sign back in.

**ALCOHOL, TOBACCO, VAPE, TOBACCO LOOK ALIKE PRODUCTS, ILLEGAL DRUGS**

Any use of alcohol, tobacco, controlled substances or tobacco look alike products (including vapes and e-cigarettes) for school age children is illegal. The use of these substances is recognized as being extremely dangerous to persons of school age. It is the responsibility of the administration to enforce this policy. Hence, the following shall be regarded as serious violations and are subject to disciplinary action.

1) Possessing, using or distributing any tobacco or tobacco look alike products in school vehicles, on school property or at school sponsored or approved events off the school grounds at any time, including official school events at other schools.
2) Possessing, drinking, or being under the influence of alcoholic beverages on school property or at school sponsored or approved events off the school grounds at any time, including official school events at other schools.
3) Possessing, distributing, using, or being under the influence of illegal drugs on school property or at school sponsored or approved events off the school grounds at any time, including official school events at other schools.
4) Possessing, distributing, or using drug paraphernalia on school property or at school sponsored or approved events off the school grounds at any time, including official school events at other schools.

A student who is suspected of using drugs may be required to take a drug test. The cost of the test will be assessed to the student. The appropriate administrator shall review each case within a reasonable time after the alleged violation. Disciplinary action may include external suspension, in-school suspension, counseling, school or community service, or expulsion. Students would also be subject to eligibility penalties found in the Exemplary Conduct Code. Students may be expelled from Kuemper Catholic School for repeated violations of this code.

**ALERT SYSTEM**

Kuemper Catholic School System implements a school alert system to inform parents and students about weather announcements, upcoming events, schedule changes, etc. The school primarily uses text alerts (contact the school office to get opted in) and school Social Media pages to communicate these changes.

**APPOINTMENTS WITH COUNSELORS, TEACHERS, AND COLLEGE REPRESENTATIVES (Grades 9-12)**

Students should make arrangements using a pre-signed pass in order to meet with counselors, teachers, or administrators during study hall. Study hall moderators will verify by phone that the counselor or administrator is available. Students who wish to visit with a college representative must sign-up in the counselor’s office.

**ASBESTOS**

In all schools in the Diocese of Sioux City friable and non-friable asbestos containing materials will be maintained in good condition and appropriate precautions will be followed when the material is disturbed for any reason. The school will implement the rules of AHERA and will provide the necessary funding to implement the response actions as required. The school will appoint and train the appropriate person to be the on-site asbestos manager.

**ATTENDANCE**

Regular school attendance by all students is essential. Students are unable to obtain the maximum opportunities from the educational program offered without regular attendance at scheduled classes and activities. If a student will be absent from school, parents should notify the school secretary as soon as the parent knows the child will not be attending school that day. If the school has not been notified, the secretary or school nurse will contact the home to verify the absence.

Student absences may be excused by the principal. Excused absences shall count as days of attendance for purposes of the truancy law. Examples of Acceptable Absences for grades 9-12 are found in #’s 1-7 below. Students whose absences are approved shall make up the work missed and receive credit. It shall be the responsibility of the student to complete the work missed. See Make-up Work.

1. **Excused Absences (Grades PK-8)**  
   a. Absence from classroom activities significantly diminishes student learning. When a student’s total absences reaches 10 days, the parent/guardian may be contacted by the principal to discuss and plan for the student’s future educational placement.

2. **Absences (Grades 9-12)**  
   a. The following absences will be excused if the excuse is provided by the parent/guardian in advance of the absence or on the day of personal illness or by 10:00 a.m. the next school day. Written notes, emails, or phone calls from parents/guardians are acceptable. Although these absences are ‘excused’:
      1) Personal illness.
      2) Family illness or emergency.
      3) Funerals. A written parental request must be presented to the office at least 24 hours in advance and arrangements must be made with teachers in each class that will be missed. Advance make-up slips will be required and must be turned in before leaving for the funeral.
      4) Medical appointments which must be made during school time.
      5) Court appearance if a summons or subpoena has been issued by court and the appearance is validated by Clerk of the Magistrate Court. (Appearances to enter a plea or pay a fine will not be excused; this can be done after school.)
      6) Family vacations are excused with advance notice, although we strongly recommend vacations be scheduled when school is not in session.
      7) High school students may be excused to work for the immediate family in rare circumstances.
      8) College visits for juniors and seniors must be arranged at least 3 days in advance with the Guidance Counselor. Non-school days should be used when possible for these visits.
      9) State-level tournament games, or sessions, in which Kuemper Catholic High School students are participating. Prior arrangements must be made at school and it must be excused by a parent no later than the day before the event. For certain events, students must be expected to check in with the administrator present at the event in order to be counted as excused.
Extended absences due to chronic illness or health condition will be handled on an individual basis involving the nurse and the principal.

Following an **excused absence**, the student will be responsible for completing make-up work. Previously assigned work or tests due on the day of the absence will be due on the day the student returns. Work assigned or done the day of the absence will be due one day after the student returns. Students will be allowed one day for each missed day to make up work missed during their absences.

Teachers will require students to complete a make-up slip and hand it in to the main office before being absent for a school sponsored event. If the student is not passing in the class the teacher may refuse to sign the make-up slip. If the teacher does not sign or if the slip is not submitted in a timely way, the student will not be allowed to leave.

**Unexcused Absences**
The following list of unacceptable reasons for missing school includes, but is not limited to:

1) Any absence not properly excused before the occurrence, or at the time in the case of personal illness
2) Leaving the building during the day without parental permission and authorization from the office
3) Work for an employer
4) Hair appointments
5) Oversleeping
6) Car trouble, service appointments
7) Shopping trips
8) Senior pictures
9) Missing a class or study hall while being somewhere else in the building without a teacher’s permission
10) False excuses provided by parent/guardian
11) Attending a state-sponsored activity (IHSAA, IGHSAU, IHSMA, IHSSA, ISDTA) when a Kuemper individual or team is not participating

**Consequences for unexcused absences**

1) **FIRST unexcused absence from a class or classes during a semester:**
   a) The principal will meet with the student to problem solve the behavior.
   b) The student may earn a detention.
   c) The student will lose check out privileges from all classes.

   b) Additional suspensions will be assigned.

The parent/guardian shall be given proper notification that all credit for the class (or classes) has been lost and they have a right to appeal the decision to the Review Board. If a student accumulates a combination of **12 excused or unexcused absences from any class per semester, the student may lose credit for that class.**

The Administration reserves the right to assess more serious consequences to students who skip all or part of Mass, retreat days, or other special assemblies, regardless of parental consent.

**Leaving during the School Day**

- **The main entrance to each center should be the only entrances and exits used during the school day.**

The parent/guardian is responsible for notifying the school (principal or designee) if a student must leave the school during the day. If approved, the student will be issued a pass to leave the building, indicating the time of departure and destination. Before leaving, the student must sign out in the main office. When returning, the student must sign in at the main office.

**Leaving the building without permission is forbidden**

Any student leaving the building at any other time will be considered absent without permission. Students may not leave the building during lunch.

**Vacation during the School Year**

Families are discouraged from taking students out of school during the school year for vacation. The parents considering taking students out of school for vacation must first contact the building administrator. The student is responsible for collecting his/her assignments before leaving. Should the student have missed work to complete upon returning from vacation, he/she will be responsible to turn in missing work upon their return to school after vacation. It is the student’s—not the teacher’s—responsibility to see that missed work is completed. Arrangements with the teachers are to be made at the convenience of the teacher.

Cheating is defined as an attempt by a student to get something by dishonest or deceitful means. Cheating attacks the very heart of the educational process and the moral virtue of honesty. Therefore, cheating and/or plagiarism will not be tolerated in any form. The first consideration as a penalty for cheating and/or plagiarism will be a “0” for the test or paper. Repeated violations may result in a more severe penalty. Parents will be notified should a violation occur.

Abuse by a Non-School Employee

Teachers, by law, must report any suspected incidents of child abuse to the Department of Human Services at 877-683-0323. In fulfilling their obligation to maintain a positive and productive environment, administrators, counselors, and teachers are expected to immediately halt any harassment of which they become aware by emphasizing school policy and when necessary, by more direct disciplinary action described in the Harassment Procedure Plan.

Students have the option of earning college credits while enrolled at Kuemper High School. Students must meet the prerequisites for the course indicated in the course description book, or a minimum GPA of 3.00 to apply for these classes; whichever is more strict. 2. Concurrent Enrollment Courses
   ○ Concurrent enrollment allows students to earn course credit at both Kuemper Catholic High School and Des Moines Area Community College (DMACC). Depending on enrollment, courses are taught at Kuemper or at the DMACC campus, or can be taken online.

3. Dual Credit
   ○ Students can earn both high school and college credit for classes through an agreement with St. Louis University. These courses are taught onsite by a Kuemper High School teacher.

4. Independent Classes
   ○ Students may take classes from DMACC that meet after school and in the evening. The classes are typically independent of high school classes and credit, and are at the expense of the student’s family.

COLLEGE VISITS (Grades 9-12)

It is important for students to visit the colleges they are interested in attending. All college visits must be approved in advance by the Counselor. Every attempt must be made to schedule a visit on a day that Kuemper is not in session. Students who have an infectious or communicable disease are allowed to attend school as long as they are able to do so and their presence does not pose an unreasonable risk of harm to themselves or does not create a substantial risk of illness or transmission to other students or employees. The term “communicable disease” means an infectious or contagious disease spread from person to person, animal to person, or as defined by law. A student will be excluded from school and school activities when the student’s condition has been determined to create a health risk to others in the school environment or when the student is too ill to attend school. Such determination shall be made by administration, in conjunction with the school nurse, student’s physician, and possibly the State Department of Public Health.

CONDUCT AND CONSEQUENCES FOR UNACCEPTABLE BEHAVIOR

Christian Behavior

Students are expected at all times to maintain and exhibit good Christian behavior and courtesy. Included in this is respect for teachers and other school personnel, both in action and words; respect for fellow classmates and self; and respect for both school and personal property. Behavior that will not be tolerated includes abusive language, serious acts of disrespect to teachers, school employees, other students, self, physical or verbal assaults, etc. The penalty for such behavior may begin with immediate external suspension from school.

The dignity of the staff, as individuals, and the respect for the staff in their professional capacity is an important part of the school system. Suspension
Suspension is the removal of a student from all classroom and extracurricular activities for a designated period of time. Suspensions will be used only when all other available school resources are unable to cope constructively with student misconduct, or in cases of significant misbehavior.

A student may be suspended up to five school days by the administration for committing gross or repeated infractions of school rules or when the presence of the student will cause substantial interference with the normal operation of the school. The administration may suspend such students after conducting an investigation of the charges against the student and giving the student an opportunity to respond to these charges. Parents will be notified by phone or personal contact with an explanation of the circumstances and school rules pertaining to the suspension.

If practical, efforts shall be made to continue the student’s educational program or an alternative program so that after the matter has been resolved, there will be minimal harm to the student’s future. School work missed during the suspension period will be due on the day the student returns to school. Projects that would become due during the suspension would either be due or made-up upon return to school.

Internal Suspension
Internal suspensions are assigned to students for serious Student Handbook violations or conduct that disturbs the orderly operations of Kuemper Catholic School System. Any student receiving an internal suspension will be responsible for paying a fee for hiring a supervising teacher. Students will not be permitted to take quarter or semester exams until all fines are paid. Students will receive assignments from their teachers and must have all work completed by the end of the internal suspension in order to receive credit for what they missed in classes on the day of suspension.

External Suspension
External suspensions are assigned to students for serious behavior violations, serious acts of disrespect, or threats to other students or faculty. Parents will be notified by the administration explaining the length of the external suspension. Students should take their books with them when they are suspended since they will not be allowed on the school grounds while suspended. Students may make-up the school work they miss while suspended. It is the student’s responsibility to contact teachers by email for make-up assignments. To receive credit for these assignments, all make-up work must be turned in to their classroom teachers on the day they return to school.

Eligibility
Students are not eligible to participate, practice, or be present at practice for extra-curricular activities (on or away from school grounds) on the days they serve an internal or external suspension.

Review Board
A Review Board is used in cases of serious violations that involve the possibility of removal of the privilege to attend KCSS. The review board is called to provide the student, accompanied by parents or guardians, with an opportunity for a fair and just hearing. The Review Board is made up of three teachers from the student’s attendance center. One of these teachers will be chosen by the student.

Expulsion
In cases of more serious offense or in cases of repeatedly unacceptable behavior, expulsion from Kuemper Catholic School is a possibility. Expulsion means that students may no longer attend Kuemper and will lose all credits for the current semester. In no case will students be expelled without being allowed to appeal their expulsion before the Review Board with the option of being accompanied by their parents or guardians. Students have three calendar days after the day the principal notifies them of their expulsion to initiate an appeal. After the third day, students forfeit the right to appeal. Students will be considered expelled during the process of an appeal.

Due Process
Students are afforded procedural due process in all disciplinary actions. At a minimum this means the right to notice of charges against them and the right to present their side of the incident to the principal.

CORPORAL PUNISHMENT
Corporal punishment may not be used to discipline students. However, reasonable restraint may be used upon a student with or without advance notice when the use of such restraint is deemed essential by a reasonable person for self-defense, to preserve order, to end an

Equal opportunity, in compliance with state and federal laws, shall apply to the programs and activities offered by the school. Any questions regarding compliance with equal educational opportunity should be directed to the Principal. The educational program fosters knowledge, respect, and appreciation for the historical and contemporary contributions of diverse cultural groups, as well as men and women, to society. It also reflects the wide variety of roles open to both men and women and provides equal opportunity to both sexes.

An important part of students’ education is their voluntary participation in many extra-curricular activities offered. Students who choose to participate accept the responsibilities and rules associated with each activity. Kuemper regards participation in any of the extra-curricular activities as a privilege. Parents should make sure that students balance their time and energy so that participation in extra-curricular activities does not become a detriment to students’ education, family, and parish life. All Kuemper students follow the Exemplary Conduct Code. Students are responsible for transportation to practice sites within the City of Carroll or the immediate area which are not school owned sites.

**FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT POLICY**

Kuemper Catholic School shall provide parents and students access to records directly related to the student; shall permit parents and students to challenge these records on the grounds that they are inaccurate, misleading, or otherwise in violation of the student’s privacy or other rights; shall obtain written consent of parents and students before releasing personally identifiable information about the students contained in education records; and shall notify parents and students of these rights.

   b. School concerts or parent meetings may be scheduled with advance approval of the principal.

2. **Grades 9-12 guidelines**
   a. Practice for all activities will end by 6:15 p.m. so that students are gone from the building by 6:30 p.m.
   b. Scheduling local activities on Wednesday night in any Kuemper approved practice facility is prohibited, except for monthly LIFE (Living In Faith Everyday) activities if planned with pre-approval by administration.
   c. Practice for activities prior to a scheduled performance may be allowed with advance approval by administration. (For example, students may be allowed to rehearse on the Wednesday night before musical production weekend.)
   d. Activities scheduled by a state organization will be honored.

**FATHER KUEMPER HONOR SOCIETY (Grades 9-12)**

Due to the nature of this organization, a national charter and handbook must be followed. The following criteria shall guide the selection process for admittance in the Father Kuemper Honor Society Chapter of the National Honor Society. These criteria should be adhered to as closely as
possible, many measures are subjective in nature however consistency is critical to this process. The students will be evaluated on the four pillars of the National Honor Society: Academics, Service, Character, and Leadership. Each category beyond academics will be assigned a point system to help quantify measurement. Students will need to earn specific points in each category in order to be eligible for selection upon providing the requested information. Those point totals are currently being decided but are more of an aid to the selection committee than the potential new member. Once they are finalized they will also be communicated to students.

1. **Academics:**
   a. Juniors and Seniors with a 3.75 or higher GPA will be recommended for consideration. These students will receive a letter of invitation in the fall. They must then provide the necessary documentation to support their candidacy on the remaining criteria.

2. **Service:**
   a. Students must show a dedication to service of the community and their parish/church community.
   b. Demonstrated involvement in substantial (either multiple projects per year, or one substantial project) service work not affiliated with required service at Kuemper. School affiliated volunteer service may be accepted, but mandated cannot: i.e. volunteering to help with a food drive counts. Service hours for religion class or the fall service day do not. It is expected that not only does the student do more service than required for their courses, but also different kinds. Teachers can help you brainstorm ideas.
   c. Demonstrated multiple acts of service to their parish/church in a ministry activity not connected with required work for theology courses. Ministry can best be defined as service work specifically aiding the Church to fulfill her mission, such as supporting Masses (serving, lecturing) etc. Defining ministry for yourself can be quite helpful. For example answering the following questions:
      i. How do I currently support the Church’s mission and liturgical life?
      ii. What are ways I could become more supportive, things I have seen others do that I know I could do?
      iii. What might be new ways, creative ways to serve Christ?

3. **Character:**
   a. Students representing Kuemper in this honor society must demonstrate strong character and be a good representative of our school’s mission and our Church’s teachings. The primary measure of this trait will be through staff surveys and discipline data located within the administrative office. The student should not have had a strong discipline concern (Either one major violation, or repeated minor violations) or been academically dishonest. In addition, the student should not have been vocally defiant to the school community.

4. **Leadership:**
   a. Students seeking entry into the Father Kuemper Honor Society should demonstrate a clear desire and ability to serve in a leadership role. This is not simply a demonstration of participation in, but of leadership of those groups the student is a member. These may be leadership experiences in the classroom, in sports, in clubs, in the arts, or within the community. The primary evidence of this work will be a narrative by the student on a school provided form, with an area for a signature by an adult(s) who can confirm the student’s leadership capabilities. Leadership can include having initiative to support the school, holding and being active in an office, empowering others to be successful, never shirking from responsibility, volunteering to see a task done that others are hesitant to take on. A leader exercises positive influence on peers in school ideals, contributes ideas that improve the civic life of the school, and is effectively able to delegate responsibilities.

Students accepted for membership are expected to maintain the high standards required of the organization. If students fail to meet these standards, they will be warned by the advisor and asked to correct the deficiency. In cases of flagrant violation of school rules or civil laws a member does not necessarily have to be warned and that dismissal, only after careful investigation and discussion of the situation by the faculty council, is an option.

Induction is held in November. Members are expected to be actively involved in all chapter activities, including meetings, service projects, etc.

**FOOD**

All food and drink must be purchased and consumed in the cafeteria. For sanitary reasons, no food or drink may be stored in lockers. The Snacks & Treats Policy must be followed. Open food or drink found in a locker may be disposed of without warning.

Additionally, food should not be ordered/delivered to school for or during school lunches.

**FREEDOM OF EXPRESSION**

Under the U.S. Constitution, all individuals have the right of freedom of expression. Student expressions made on school premises or as a part of a school-sponsored activity may be attributed to the school; therefore, such expression must be appropriate to the activity. Students will be allowed freedom of expression of their viewpoints and opinions as long as the expression is responsibly done. Student expression shall not, in the judgment of the administration, encourage the breaking of laws, cause defamation of persons, or contain obscenity or indecency. The administration has the right to determine the time, place, and manner in which the expression is to be allowed so as not to disrupt the educational program of the school. This includes the posting of materials on the internet with school computers or personal computers brought into the school. Students who violate this policy may be subject to disciplinary measures.

**FUNDRAISING**

All fundraisers must be approved in advance by the KCSS administrative team. Funds earned by classes, clubs and other student organizations using the name of Kuemper shall remain under the jurisdiction of the business office.
GRADING POLICY (Grades 7-12)

1. **Infinite Campus** is the KCSS student management system. Student grades, pertinent academic information as well as important announcements can be found on your Infinite Campus Parent Portal. Kuemper’s grading system makes use of “A” through “F” on quarterly and semester reports to express the quality of academic work achieved by students. In some courses, a “P” (passing) is used. The grading policy does not indicate a specific number of A's, B's, etc., to be given.
   
   a. A+: Extraordinary mastery of the subject
      A, A-: Mastery of the subject
      B+, B, B-: Above average achievement
      C+, C, C-: Average achievement
      D+, D, D-: Minimum requirements fulfilled
      F: Failure to meet minimum requirements
      P: Passing
      I: Incomplete

2. If a student has been absent and unable to complete his/her work before the grading period ends, an incomplete (I) grade may be given. Incomplete grades are NOT to be given simply because a student has failed to do the assigned work; an appropriate letter grade will be given. The guideline for make-up work allows one day for each day missed for an approved absence. Students are expected to complete all work within one week of the end of the grading period.

3. As stated above, the letter grade system is used for progress reports sent to parents. The following scale is used to grade a student’s work:
   a. 99% or above A+
      96% - 98% A
      94% - 95% A-
      92% - 93% B+
      89% - 91% B
      86% - 88% B-
      83% - 85% C+
      80% - 82% C
      77% - 79% C
      75% - 76% D+
      72% - 74% D
      70% - 71% D
      69% or below F

4. A grade report is communicated to the parents via the Infinite Campus Parent Portal at the completion of each quarter.

5. The following grade points are used for averaging at Kuemper Catholic High School, these are based on semester grades:
   a. A+ 4.33  B+ 3.33  C+ 2.33  D+ 1.33
      A 4.00  B 3.00  C 2.00  D 1.00
      A- 3.67  B- 2.67  C- 1.67  D- 0.67

GRADUATION

The minimum number of credits required for graduation is 52 credits. Students should be aware of the number of credits earned to date in their course work. By carrying a normal load and successfully completing all the required and elective courses, a student will have sufficient credits to graduate at the end of four years. Students who are behind in total credits need to confer with the guidance counselor. At the end of the school year, freshmen should have a minimum of 12 credits; sophomores should have a minimum of 26 credits; juniors should have a minimum of 40 credits.

One credit per semester is awarded for passing work in most courses. (Refer to the Course Description & Registration Guide to determine the number for credits for each course.) Graduation requirements for students who transfer into Kuemper Catholic High School after the freshman year will be evaluated on an individual basis.

Seniors who will not be able to participate in Commencement if they do not have enough credits, have not paid their bills, or have not completed disciplinary consequences including Exemplary Conduct Violations. Seniors with outstanding bills or incomplete disciplinary consequences may not participate in Baccalaureate.

Early Graduation

Any student seeking early graduation will need to submit a written letter to the principal outlining the reasons for the request. This letter needs to be submitted at the end of the first semester of junior year. Parents of students requesting early graduation must also submit a letter giving their permission for the request for early graduation. Requests for early graduation will be granted for compelling reasons as determined by the principal. Students granted early graduation may not participate in any extra-curricular, intramural, or Prom activities during the spring semester but will be allowed to participate in baccalaureate and commencement exercises. It is the student’s responsibility to make sure all details relating to graduation are completed. Seniors who graduate early will pay the normal tuition and fees for the entire senior year.

GRIEVANCE PROCEDURE

Students have the right and the responsibility to express school-related concerns and grievances in a proper manner and through established channels. It is the goal of Kuemper Catholic School to resolve concerns and grievances at the lowest level. Students and parents are
encouraged to address problems to the student’s teacher or other licensed employee, other than the principal, for resolution. If the teacher cannot resolve the complaint, the student and/or parent may, within 3 days of contact with the teacher, discuss this matter with the principal. If the principal’s decision is questioned, the student and/or parents may, within 3 days, bring the matter to the president for a final resolution.

HAZING

A person commits an act of hazing when the person intentionally or recklessly engages in any act or acts involving forced activity which endanger the physical health or safety of a student for the purpose of initiation or admission into, or affiliation with any organization operating in connection with a school. Prohibited acts include, but are not limited to, any brutality of a physical nature such as whipping, forced confinement, or any other forced activity which endangers the physical health or safety of the student. A person who commits an act of hazing is guilty of a simple misdemeanor. Hazing is considered an act of bullying/harassment and disciplinary action will apply.

HEALTH SERVICES

Nursing services are available for sick or injured students during the school day. Students should report to the office for assistance. In case of an emergency, school personnel will make decisions including emergency care until parents can be reached. Any medication (prescribed or over the counter) that a student is to take must be dispensed in the office by the nurse or approved staff member. All medication must be in a correctly labeled bottle for the individual with specific instructions for time and amount.

HOMEWORK

Homework is assigned to reinforce student learning. The following are ways to help complete homework successfully:

1. Write daily assignments in your agenda and check off each assignment as you complete it.
2. Establish a period of time for homework and complete your homework during this time every day.
3. Study in an area that is quiet, comfortable, and free of distractions.
4. Put your completed homework in the appropriate notebook or folder so you can find it.
5. Place all of your school books and papers together in a prominent place so you will take everything to school the next morning.

Homework varies with each teacher, student, and class. Frequently, students will have time in class to begin assignments. Often, homework can be completed during class time and study periods if time is used wisely. Questions regarding homework should be directed to your child’s teacher.

INSURANCE

The Kuemper Catholic School does not offer or provide student accident insurance. The following are guidelines:

1. Athletes will need to provide proof of insurance before he/she can participate. The basic way is to sign off that he/she has health and accident insurance by way of a family policy.
2. If there is no family policy to cover the student, there are two options:
3. Students who qualify based on need can purchase hawk-i-health-care. Go to www.hawk-i.org to obtain information.
4. Short Term Medical and Accident Insurance is available for the family. This would allow the students to be covered for activities like a four month policy for football or a three month spring policy for football or a three month spring policy for soccer. Contact a private insurance agent if you are interested in this option.

There is no school requirement that a student show proof of insurance if he/she does not participate in athletics. However, having family medical and health coverage is always a good idea for active, young people, and the purchase of hawk-i or a short term medical policy is totally optional for these families.

INTERNET AND KUEMPER COMPUTER NETWORK

Acceptable use of the internet shall be consistent with the philosophy, goals, and objectives of Kuemper Catholic School. Exploration of the Internet is encouraged, but with rights and privileges come responsibility. Any use of the network which adversely affects its operation in pursuit of teaching and learning or jeopardizes its use or performance for other community members is prohibited and may result in loss of network privileges.

   b. Use language that is appropriate for school situations.

   f. To reduce the risk of spreading computer viruses, import files from only known or reputable sources.
   g. Impersonation and anonymity are prohibited.
2. Restrictions
   a. Kuemper Catholic School utilizes network filtering. It is the critical component of the Internet protection package since it allows valuable on-line Internet access while restricting access to specific unwanted categories. This filtering is updated on a regular basis to keep the restriction list as current as possible. The use of anonymous proxy servers to circumvent our filtering service is not allowed under any circumstance. Students will have limited access to email through Gmail for educational purposes only. Inappropriate use will result in limitation or cancellation of user privileges and possible disciplinary actions. Social networking sites are prohibited unless approved by a teacher for appropriate school use. Food and drink are not allowed in the computer areas.

3. Network Etiquette - Users must:
   a. Be polite; rudeness is never acceptable

5. Security
   a. Security on any computer network is a high priority, especially when the network involves many users. Attempts to tamper with the program, access the network as any other user, or to share a password will result in cancellation of user privileges. Electronic mail is not guaranteed to be private; network administrators have access to any mail. Messages relating to or in support of illegal activities may be reported to the authorities, and disciplinary action may follow.

6. Vandalism
   a. Vandalism will result in cancellation of user privileges and disciplinary action. INTERROGATION BY AN OUTSIDE AGENCY

As a general rule, students may not be interrogated by individuals from outside the school system. If an individual, such as a law enforcement officer, wishes to interrogate a student, the request must come through the principal’s office. A request will only be granted under the principal’s discretion when such action is in the best interest of the student’s welfare, when the request is made by a child abuse investigator, or when such interrogation is supported by a court order. Prior to allowing the interrogation, the administrator shall attempt to contact the parent or guardian of the student and inform them of the request and ask if they wish to be present.

INTRAMURAL ACTIVITIES (Grades 9-12)

Kuemper Catholic High School seeks to provide the opportunity for individuals to participate in activities through the intramural program. Participation in intramural activities is limited to students who are not involved in the interscholastic sport that is in season.

LETTERING SYSTEM (Grades 9-12)

Students may earn a letter (chenille “K”) for participation and achievement in various high school activities (music, sports, speech, etc.) The student receives a pin that represents the activity, plus one service bar. Additional service bars may be earned each year for that activity. Each activity has its own lettering requirements which are determined by a joint effort of the head coach/moderator and the activity director. The criteria should be communicated to all participants.

Academic Letter

Students who achieve a 3.90 GPA in each of the four-quarter grading periods in a school year qualify for an academic letter. Academic letters may be earned each year starting with the freshman year.

LOCKERS

Use of school lockers is a privilege and a convenience for students. Lockers are assigned at the beginning of the year and students may not switch without permission. Lockers are property of the school and may be searched by the Administration when deemed necessary.

1. Students may decorate the insides of lockers but may not place advertisements of alcoholic beverages, tobacco products, or
other objectionable pictures in the locker. Any pictures should be adhered with blue painter’s tape.

2. Nothing can be permanently displayed on the outside of the locker.
3. Writing on the inside or outside of the locker is prohibited. Students are responsible for the care and cleanliness of their assigned lockers and lockers should be cleaned out periodically.
4. Students are to keep the hallway floor around their lockers free from litter.
5. For sanitary reasons, no food or drink may be stored in lockers. Plain bottled water in a clear bottle is allowed.
6. Random locker checks may be performed.

The expectation is that the locker should be in the same condition at the end of the year as when the year started. If the locker is defaced or damaged, the students responsible will be assessed for the repair. Grades and/or diplomas will not be issued until lockers are satisfactorily cleaned at the end of the year. Teachers may not search lockers without permission of the Administration.

Students are discouraged from leaving valuables in their lockers—especially money and electronic items. Although discouraged, combination padlocks may be used on lockers if the combination is reported to the main office. Valuable items may be left in the main office for safekeeping. If a padlock is used on the locker, and a means to open is not left with the office the lock may be manually removed and discarded.

LUNCH PROGRAM

Food services include breakfast, lunch, and an optional a la carte program for grades 6-12. Special dietary needs should be submitted in writing from the student’s doctor before school starts or as those needs occur. Parents and grandparents are always welcome to have lunch with the students. Payments for guest lunches may be made in the lunch line.

A computerized system is used to keep track of students’ lunch accounts. An account is established for each family and only one payment is needed per family. Payments may be made online or sent to school with students. Notices will be sent electronically to all families whose balances have fallen below zero. High school students will be notified in the lunch line of a low balance. High school students are allowed to pay cash for their lunches.

Financial assistance is available. To apply, complete a financial aid form (found in the registration packet). Students who receive free or reduced meals are handled in the same manner as those who receive regular priced meals. Application for financial assistance may be made any time during the year by contacting Jina Brincks at 792-3313.

In accordance with state and federal law, the Kuemper Catholic School System adopts the following policy to ensure school district employees, families, and students have a shared understanding of expectations regarding meal charges. The policy seeks to allow students to receive the nutrition they need to stay focused during the school day, prevent the overt identification of students with insufficient funds to pay for school meals, and maintain the financial integrity of the nonprofit school nutrition program.

Payment of Meals

Students have a meal account. When the balance reaches $-35.00 a student may charge no more to this account. When an account reaches this limit, a student shall not be allowed to charge further meals or a la carte items until the negative account balance is paid. Families may add money to food service accounts online by logging into their Infinite Campus Parent Portal or by submitting a check to any attendance center.

Students who qualify for free meals shall never be denied a reimbursable meal, even if they have accrued a negative balance from previous purchases. Students with outstanding meal charge debt shall be allowed to purchase a meal if the student pays for the meal when it is received.

Negative Account Balances

The Kuemper Catholic School System will make reasonable efforts to notify families when meal account balances are low. Additionally, the school will make reasonable efforts to collect unpaid meal charges classified as delinquent debt. The school will coordinate communications with families to resolve the matter of unpaid charges. Families will be notified of a balance once the balance reaches $8.00. Families will be notified by automated email messages. Negative balances of more than -$25.00, not paid prior to the end of the school year, will be turned over to the president or president’s designee for collection. Options may include: collection agencies, small claims court, or any other legal method permitted by law.

MAKE-UP WORK

- PK-5: Speak with your student’s homeroom teacher.
● **6-8:** All teachers in grades 6-8 utilize Google Classroom. All student homework assignments can be accessed 24 hours a day via the student’s Google Classroom site. Students have two days to make up homework for each day missed.

● **High school students:** Parents may request make-up work in the office or electronically when you are absent. Call the building office early in the morning so homework and books can be collected. Students have one day to make up homework for each day missed.

**MATERIALS SELECTION**

Any person may raise objections to instructional materials or to library materials. An objection is defined as a verbal or written statement of opposition to instructional or library materials, requesting that the item be excluded or restricted. The complainant shall first contact the teacher for instructional material or the librarian for library material. If the complainant desires to file a formal complaint, she/he will be asked to fill out a “Request for Reconsideration Form” available at the library. Use of any questioned material shall not be restricted during the reconsideration process. Completing the “Request for Reconsideration Form” starts the process of reconsideration that may include a committee appointed by the principal to make a recommendation on the request.

**MEDIA CENTER**

The media center provides books, periodicals, pamphlets, computers, other materials and equipment. Students who damage or lose materials must pay to have them repaired or replaced.

The media center is intended to be a quiet place for learning. Observing the media center rules will insure a proper atmosphere for its use. The purposes of the media center are:

- Class research, either print or electronic
- Classroom instruction
- Obtaining leisure reading materials
- Individual study

**MOTOR VEHICLES / MOPEDS**

2. **School Permit:**
   a. The high school principal will not sign school permit forms until the day after a student’s last day in 8th grade.

      i. Parking stalls on the west side of the school (main entrance) are reserved for visitors.
      ii. Students are not to park in the parking lots of Holy Spirit Church. On days when there is a funeral scheduled at Holy Spirit Church, out of respect, students are to observe the on street no parking signs.
   e. Students who fail to follow the rules set by the administration will forfeit the privilege of bringing a motor vehicle to Kuemper and may also be subject to additional discipline, including the following fines:
      i. $5.00 for each violation.
      ii. $10.00 for any violation that occurs before paying a previous fine.
      iii. Vehicles will be towed at the owner’s expense for failure to pay fines, or for repeated or flagrant disregard for rules that govern the use of motor vehicles at school.

4. **Vehicle Search:**
   a. School administration and/or their designated representatives possess the authority to conduct a reasonable search of student vehicles when on school property and/or on property being used by the school.

**PHYSICAL EDUCATION POLICY**

According to the Healthy Kids Act (Senate File 2425), all physically able students in kindergarten through grade 5 shall be required to engage in a physical activity for a minimum of 30 minutes per school day. Students in grades 6 through 12 shall be required to engage in a physical activity for a minimum of 120 minutes per week. A high school student may be granted a Physical Education Waiver for the purpose of taking academic courses not otherwise available to the student.

**Grades 9-12:** Students are required to enroll in eight semesters of physical education, unless the student is scheduled in academic courses all eight periods of the school day. The grade earned will be computed in the student’s GPA. The program is adapted for students whose physical
status will not permit them to participate in the regularly scheduled activities. The school provides transportation to and from physical education activities. Students may not ride in cars to or from physical education activities without permission from the administration.

Students are required to wear shorts and t-shirts that are in good taste. Failure to wear suitable clothing for physical education class will result in an unexcused absence. Any clothing that depicts or promotes the use of alcohol, drugs, or tobacco, is contrary to the values promoted by Kuemper, or demeans any person may not be worn to school or in a physical education class. Lockers are not available. Students are discouraged from bringing valuables such as money, watches, etc., to class.

Students who miss physical education classes will have their absences marked excused or unexcused by the administration. The teacher will arrange makeup classes with the student for excused absences. Unexcused absences cannot be made up. Students are allowed two excused absences per quarter that do not need to be made up. Work missed after these two absences must be made up by either attending additional physical education classes or activity completed outside school time as approved by the physical education instructor.

PLAYGROUND RULES

Student safety is our primary concern on the playground. Organized games are encouraged. Activities that threaten the health and safety of students will not be permitted. Activities not allowed include bullying, pushing, tripping, wrestling, fighting, tackling, or throwing any objects other than playground balls and frisbees. Students are to remain within the designated boundaries of the playground and are to enter the building at the designated door in an orderly manner. Students are to get permission from the playground supervisor to enter the building during a recess.

PREGNANCY / ABORTION

Pressures in our society influence young people toward choosing sex outside marriage. This choice is never acceptable. Despite our best efforts to assist our young people in forming a conscience that is consistent with our Catholic values, it is a fact that some will make choices contrary to these values.

In cases where pregnancy occurs, students are in need of our best efforts to lend support to a decision affirming the value of life. The administrative staff recommends that students and parents contact a counseling agency consistent with a Catholic philosophy of life for assistance in considering an option of adoption or single parenting. Regardless of the student’s decision, if she/he chooses to remain in school, she/he may do so without penalty. We need to respond with compassion to the birth mothers and fathers, letting them know they have our support, remembering always that when students reveal their pending parenthood, they are demonstrating a commitment to the principle of right to life.

Society also approves and often encourages young people who experience a pregnancy to choose abortion. This option is never acceptable. In the event the administration becomes aware of a student who is considering an abortion, or who has obtained one, counseling consistent with Catholic pro-life principles will be provided. Despite the error of judgment represented by the decision to abort the baby, it is our belief that the Catholic school remains the best and most supportive environment in which to continue the student's education.

Due to the nature of the unique character of individuals and of each school environment, the integration of student(s) into the school must be handled on a case-by-case basis as determined by the principal. Failure to comply with the terms of this agreement may result in expulsion.

PUBLICATIONS

Students are free to express themselves in school-sponsored publications except for the following restrictions:

1. Students shall not publish or distribute materials which are obscene, libelous, or slanderous.
2. Students shall not publish or distribute materials which encourage students to commit unlawful acts, violate lawful school regulations, or cause disruption of the orderly operation of the school.

Within these guidelines, advisors and student staff members shall maintain professional standards of English and Journalism when choosing information to publish in school-sponsored publications.

RESIDENCE

Constant adult supervision of young people is most conducive to a quality learning environment. Students attending Kuemper Catholic Schools should live with parents or guardians who have a vested interest in their student’s success. The principal may grant an exception to this rule to a student, not of legal age, who takes up residence for a compelling reason outside the home of their parent or legal guardian. Such an arrangement will be revoked if the interest of the student is put in jeopardy. A change of residence must be immediately reported to the principal. Students of legal age can live independently if approved by the principal. Due to the beliefs and principles of the KCSS, unmarried couples living together will not be considered acceptable.

SCHEDULE CHANGES (Grades 9-12)

All schedules are largely finalized in Spring semester of the prior year. To avoid issues with schoolwide scheduling all student schedule changes
should be made before the end of the school year the schedule is received. Schedule changes after the close of the year, during summer, or at the beginning of the following school year will be approved only with strong academic reasons. Absolutely no schedule changes will be made after the 5th school day of the new year. Students who withdraw from a course after the first 5 school days in a semester will receive an F for the course.

DMACC also has their own criteria for changing schedules. Students enrolled in DMACC courses must abide by both Kuemper and DMACC schedule change policies.

**SCHEDULE - COURSE LOAD (Grades 9-12)**

All students in the high school should carry a course load of at least 6.5 credits per semester (this is the equivalent to 6 classes plus PE each semester). Any student falling below this load will not have enough credits to graduate. This means no student should ever have more than 1 study hall every day, and 1 study hall 2 days a week opposite PE.

**SCHOOL DAY**

**Holy Spirit and St. Lawrence students:** School day begins at 8:00 a.m. when students are dismissed to their homeroom from the cafeteria. Dismissal is at 3:15 p.m. for Holy Spirit students and at 3:30 p.m. for St. Lawrence students. Students who ride later buses will remain in a supervised area until they board buses.

**St. Angela students:** The school day runs from 8:10 a.m. to 3:20 p.m.

**High School students:** First bell rings at 8:11 a.m. School day begins with the second bell at 8:15. Students must be in their classrooms or they will be marked tardy. Students who need to be readmitted to school or receive passes to leave the building should report to the Main Office before the second bell. School is dismissed at 3:20 p.m.

**SCHOOL-SPONSORED ACTIVITIES**

School-sponsored activities can be defined, in general, as activities that take place or are planned on school time or on school premises, when the name of the school or school services are used, or when an activity involves staff and/or students of the school. The exception to this would be when the school issues a disclaimer stating a particular activity is not being sponsored by the school. Generally, all rules that are in effect during the school day also apply to school-sponsored activities. Safety is the primary concern.

**SEARCH AND SEIZURE**

School authorities may, without notice or a search warrant, search a student, student lockers, desks, work areas, book and book bags, purses, clothing, or student vehicles based on a reasonable suspicion under the circumstances and in a manner reasonable in scope to maintain order and discipline in the school, promote the educational environment, and protect the safety and welfare of students and school personnel. School authorities may also seize illegal, unauthorized or contraband materials discovered in the search. Items of contraband may include but are not limited to non-prescription controlled substances, such as marijuana, cocaine, amphetamines, barbiturates, apparatus used for the administration of controlled substances, alcoholic beverages, tobacco, weapons, explosives, poisons, and stolen property. Possession of such items will be grounds for disciplinary action. The faculty has the authority to confiscate any item brought into school that is judged to be disruptive, dangerous, or contrary to the rules in this handbook.

**SERVICE HOURS (Grades 6-12)**

All Theology classes require service hours as part of the course curriculum. Service hours are earned by assisting with projects in the parish, at school, or in the community. Examples include working at parish breakfasts or dinners, Relay for Life activities, and community cleanup. Service opportunities will be posted regularly in Theology classrooms. Service hours at home for the immediate family are not accepted; those chores are considered part of the family's responsibilities. The total hours expected for the school year are as follows.

Junior High and High school students will be assigned specific service tasks based on their grade level to help them develop a deeper understanding of service. The final summaries of these activities will be available at the onset of the 2021-22 school year.

Reflection forms must be filled out by students in grades 6-12 and can be acquired from their theology teacher and should not be signed by parents but rather by the supervisor of the service project.. Any forms turned in the last week of the semester may NOT be accepted.

**SHARED-TIME PROGRAMS (Grades 9-12)**

Students in courses conducted off the Kuemper campus are expected to travel to and from the course in the most direct route possible and in the safest manner possible. Students are expected to abide by all Kuemper regulations and those imposed by their off-campus instructors.
SNACKS & TREATS BROUGHT TO SCHOOL

The Kuemper Catholic School System informs all staff, guests and parents that a significant number of students in attendance have allergies and these allergies have different origins. We also support the goals of the Healthy Kids Act. Thus some general guidelines are necessary with respect to snacks, treats and general food items brought to school.

Guidelines:

1. Teachers in Grades PK-8 will make it clear to parents that there is a student in their son/daughter’s room/class with an allergy.
2. The KCSS strongly suggests using non-food items for rewards or birthdays. Examples are pencils, stickers, silly bandz and bookmarks.
3. Snacks and treats brought to school must be prepackaged and have a label so that school employees can read and identify ingredients. Thus no homemade or bakery/commercially made snacks or food items without a label are allowed.
4. Celebrating a birthday is approved. Other classroom parties are to be kept to a minimum. Advanced approval of the principal is required.
5. Major parties like Mardi Gras, Bake Sales and Special Tournaments, (i.e. Dodgeball, Volleyball) will have staff direction and principal approval. Food items will be kept in the cafeteria.
6. The KCSS recognizes that Concession Stand and Booster Club functions outside the academic day are not part of these guidelines.

The following are some examples of commercially prepackaged snacks that could be sent to school: dried fruits such as raisins and banana chips; pretzels; graham crackers; animal crackers; cheese nips; low-fat muffins; low-fat pudding cups; and yogurt smoothies or yogurt parfaits.

The following is a list of items that the Kuemper Catholic School System Food Service Department is willing to provide on a fee basis: Trix Yogurt, 4 oz. juice box, 4 oz. sherbert, snack crackers. An order can be made by calling the Food Service Director at 792-3596, Ext. 135, 48 hours in advance. Inform the teacher as to your plans and the Food Service Department will deliver.

SPORTS CAMPS / ALL-STAR GAMES

Kuemper Catholic School does not sponsor nor is affiliated with all-star games, AAU events, non-school teams, or any travel team or club. Solicitation for support for such teams/events shall not be done in the name of Kuemper Catholic School or any of its organizations. School equipment or uniforms shall not be used. Such groups wishing to use the KCSS facilities must complete the appropriate application for use of facilities and pay the required fee. The school does not encourage participation on a non-school team, an all-star activity, or any camp that interferes with the sport in season.

1. For Grades 9-12 teams or groups, the words Kuemper or Knights as well as a pictorial display of the school mascot may not be used on uniforms, or within printed material, or in any publicity.
2. For teams or groups below the 9th grade, the word Kuemper or a pictorial display of the school mascot can never be used. The word Knights may be used.

SPORTSMANSHIP

It is the clear obligation of contestants and spectators in all interscholastic competitions to practice the highest principles of sportsmanship and ethics of competitions. Here at Kuemper we embrace the Play Like a Champion program from the University of Notre Dame. Our goal is to win the game, while treating game officials and opponents with respect. Losing a game with dignity and respect is also an important lesson to be learned. All cheering should be in support of the Kuemper Knights. Use of profanity, vulgarity, taunting opponents, and taunting officials is never acceptable. Students and adult spectators may be denied attendance privileges to sporting events because of their behavior.

When a spectator is ejected from an interscholastic contest:

1. The individual will not be permitted to attend the next game or meet in that sport.
2. Kuemper Catholic School may impose additional penalties.
3. If ejected a second time, the individual will not be permitted to attend the next four games or meets in any sport.
4. If ejected from the last game or meet of the season, the penalty carries over in that sport/activity to the next school year.
5. The consequence for anyone ejected for 3 or more games will be determined by administration and may include a permanent ban from activities.

STATE COMPETITION

Spectator attendance is an excused absence when a student, group of students, or a team representing Kuemper Catholic High School participates in state competition. Kuemper Catholic High School reserves the right to establish the time of dismissal for students attending a state competition as spectators. Students wishing to attend a state competition as spectators must present a written parental request 24 hours in advance.

STUDENT COUNCIL

The purposes of this organization are to promote better relations between the student body and the administration, to serve as a means of presenting problems of the student body to the administration, to organize student and school activities, and to promote better citizenship and
better school spirit. Student council provides a method through which the student body may communicate with the administration. Positive student leadership is an essential element of a successful school.

**STUDY HALL (Grades 9-12)**

The study hall supervisor will be responsible for taking attendance at the beginning of each study hall period. Students are to sit where instructed by the study hall supervisor. No wandering or seat changing will be permitted. Students are responsible for knowing their assigned seat for each study hall. A pass must be presented to the study hall supervisor if a student wishes to leave the room (go to the restroom, locker, etc.) There should never be more than two students released at a time from a study hall for these reasons. Students must “sign out” on the pad located on the teacher’s desk. Students must return to the study hall before the end of the period. Each student must bring study and/or reading materials. The general study hall atmosphere must be such that each student is afforded the opportunity to study quietly. No game playing is allowed. This type of atmosphere should create an environment conducive to helping more students learn to use their study time wisely.

**SUNDAY ACTIVITIES**

Sunday practices and open gyms cannot be held at any Kuemper facility. The only exception might be when the team/group has a state qualifying or state level competition on a Monday night. Rehearsals are allowed the week of performances with administrative approval. All exceptions must be cleared by the Administration.

**TARDY**

Any student who is tardy will need to go directly to the office to get a tardy slip to give the teacher to enter the room. Any teacher who has held his/her class longer will notify the office or give the students a pass to class. During the day a teacher pass will admit a student to class the same as the office pass. At the high school, a student will earn a detention for 5 tardies in a single class in a semester and for each subsequent tardy in that class. A student with 10 cumulative tardies (regardless of period), will earn a detention for each following tardy. A parent conference may be held to develop a behavior modification plan that will encourage more prompt attendance.

**TELEPHONE USE**

With permission during school hours, students may use the school phone or personal cell phones in the main office to call home or make emergency phone calls. Calls may be monitored.

**TEXTBOOKS**

Textbooks and workbooks are provided by the school. Students are expected to exercise care in handling books. If a student damages a book, the student will pay for the damage. If a book is lost or damaged beyond repair, full payment for the book will be required.

**TRIDUUM ACTIVITIES**

It shall be the policy of the Diocese of Sioux City and Kuemper Catholic School that no school sponsored activities or practices are conducted after 5:00 p.m. on Holy Thursday and the entire days of Good Friday, Holy Saturday, and Easter Sunday. Such policy shall provide students and employees the freedom to participate in parish liturgies and family activities on these sacred days.

**TUITION & FEE PAYMENT – ONLINE PAYMENTS ARE AVAILABLE**

Families will register with SMART TUITION, a tuition management service company, in July before the next school year. Payment plans (full, semester, quarterly, or monthly) and payment methods (online, credit card, check, etc.) may be chosen. SMART TUITION will communicate directly with families regarding payment due dates and possible late fees. A SMART TUITION Help Center is available 7 a.m.- 1 a.m. M-F, 9 a.m.-5:30 p.m. Sat-Sun. Families may chat with a representative via online account or call (888) 868-8878. Please note: Parents must have an up-to-date arrangement for continuous payment of tuition or students will not be allowed to enroll for a new semester or school year. Students may not take final exams unless parents have an up-to-date arrangement for payment of tuition. Graduating seniors may not participate in Baccalaureate and commencement ceremonies unless parents are current with their arrangement for payment of tuition.

**TUITION GRANTS**

Tuition Grants are available for families who have need for tuition assistance through the TADS application process. Since a family’s financial position may vary from year to year, applications for Tuition Grants must be processed anew each year. The amount of a grant is based on a professional assessment by an outside agency of the family’s financial position and the amount of money that is available through the Tuition Grant budget. In addition to the TADS process, parents are encouraged to contact the business office or the school president when a family need exists.
TUITION TAX CREDIT

In all schools of the Diocese of Sioux City and in particular at Kuemper, all expenses for religious instruction are paid from the contributions of the respective parishes that support the elementary or secondary schools. No part of the tuition or fees paid by parents or students, unless specifically itemized as an expense related to religious instruction, shall be deemed as tuition or fees for religious instruction. Thus all tuition and textbook charges paid directly by parents and/or students are appropriate tuition tax deduction/credit expenditures. Contact your tax advisor for details.

VANDALISM

1. Respect for property, both public and private, is an important Christian value taught at Kuemper.
   a. 1st Offense: May result in a minimum $25 fine plus restitution when damage is done to school property.
   b. 2nd Offense involving school property is the same as the first offense with the exception that a review board hearing is held
      and the penalty may be extended to six months probation or the privilege of attending KCSS may be revoked.
   c. Vandalism to a teacher’s property will result in a one-day internal suspension and restitution for damages to property.

2. False alarms, tampering with fire safety devices and equipment, smoke bombs, and chemical sprays shall be regarded as very serious acts of vandalism. The penalty for such behavior shall be immediate external suspension from school. Readmission will be considered only after a conference between school officials, the student, and their parents. The school may refer students to legal authorities for appropriate action.

WEAPONS

The possession or use of any weapon, whether manufactured or homemade, real or simulated, is prohibited at school, on school grounds, on school buses, at school activities, and in vehicles that students drive to school and park in the school parking lot or park within two blocks of school. This includes firearms and knives of any kind, regardless of their size or the purpose for which they are designed. Dangerous weapons will be taken from students who bring them onto school property and the parents will be contacted. Confiscation of weapons or dangerous objects shall be reported to the law enforcement officials, and students will be subject to disciplinary action which may include suspension or expulsion for up to one year. The faculty has the authority and duty to confiscate any item brought into school that is judged to be disruptive or dangerous.

WEATHER-RELATED ANNOUNCEMENTS

In the event of inclement weather causing a delay or postponement of school, an announcement will be made via a school message text alert, on the school Social Media pages, and local radio.

Usually, school events scheduled to start before school will delay the same amount of time as the school day will be delayed. On an early dismissal, if buses are not able to run, students will remain in their classrooms until CCSD transportation announces that buses may run. Walkers may also stay in the classroom until a parent or designated person picks them up. On days when school is in session and dismisses early due to adverse travel conditions, all middle school activities are canceled. Cancellation of high school practices/activities will be determined by the administration. The parents always have the final decision regarding the safety of travel to school in bad weather and/or road conditions. Kuemper Catholic School honors the judgment of the parent in this matter.

It all began in Mt. Carmel . . .

The roots of Kuemper Catholic Schools go all the way back to 1874 with the Mt. Carmel parish beginning a small pioneering Catholic school. By 1916, each of the thirteen area parishes surrounding Carroll built their own Catholic grade school, and eventually Catholic high schools were also established in Breda, Mt. Carmel, Templeton and Vail.

Fr. Joseph Kuemper (1855-1923) left his mark and an important legacy on Carroll county’s 20th century history. The hard-working German immigrant parish priest and carpenter founded the St. Angela Domestic Science Institute in 1908 – an all-girls boarding high school in Carroll to educate young women in the art of Christian homemaking. It was the first school in the diocese and region to accept students from across parishes – an inter-parochial school. The school was later renamed the St. Angela Academy.
Fr. Kuemper, who also began Carroll’s St. Anthony Hospital and three area parishes, arranged the talented Franciscan Sisters of Perpetual Adoration from LaCrosse, Wisconsin to operate his ministries in the Carroll area.

When the all-girls St. Angela Academy closed in 1954, Fr. Leo Lenz (1913-1985), a Mt. Carmel native, led the effort to build a regional Catholic high school as a large addition was constructed and attached to the west side of the St. Angela building. Kuemper Catholic High School took St. Angela’s place as ten area parishes invested in and financially supported the new non-tuition high school. This inter-parochial, co-educational high school began a trend of regionalization and unification as three more area parish high schools unified with Kuemper High School by the early 1960s.

By the mid to late 1970s, the number of religious sisters and priests faculty began declining and student tuition fees began to offset rising operating costs. Catholic grade schools in the area began consolidating in 1964 and by 1990, three merged grade schools remained in the rural areas surrounding Carroll. Holy Spirit and St. Lawrence parish schools in Carroll unified their K-8 grade schools in 1996.

The 2003-04 school year saw a complete Catholic school unification from kindergarten to grade twelve. All students of the area now attend Catholic schools in Carroll. 2004 also marked the 50th anniversary of Kuemper Catholic High School and the 130th anniversary of that first pioneering parish school in Mt. Carmel in 1874. A new spirit existed at the closing ceremony of the 2004 anniversary weekend.

Over 11,000 St. Angela Academy and Kuemper High School alumni, along with thousands more parish school graduates of the area serve across the world in many vocations. From priests, sisters, teachers and civic leaders to valedictorians of prestigious universities, chief executives of national corporations, and rocket scientists for the U.S. space program, all these Kuemper alumni continue to serve in their careers and exemplify today’s mission statement of the Kuemper Catholic School System: “to provide excellent Catholic education of mind, body, and soul to empower all students to achieve to the best of their abilities in fulfillment of God’s call.”

“Dedicated on this day, to the Sacred Heart of Jesus and the Immaculate Heart of Mary, Kuemper High School will strive to promote worthy ideals and to encourage high standards in every phase of life: spiritually, morally, academically and socially. It is dedicated to the purpose of preparing its students for time and eternity, for happiness on earth and in heaven. It aims to develop those characteristics and to instill those principles which will make its graduates vigorous leaders for God and Country.”
