Committee Reports:
A. Committee Meeting Minutes
   1. Finance & Budget
   Comments and discussion regarding financials and the last quarter of 2019-2020 school year – while school was not in session March 16 through the end of the school year, salaries and benefits expenses were still incurred, partly thanks to the PPP (Paycheck Protection Program) which kept
regular staff on payroll. Two versions of the 20-21 General Fund budget were presented. Version A assumed revenue from parishes and tuition that will be received and Version B projected deficits in these areas as evident in 19-20 actuals and past year’s trends. The committee agreed that the most realistic Version B should be considered moving forward. The committee recommended the budget for presentation to the school board.

The committee will create a subcommittee to begin looking at specific staffing and program options for the 2021-2022 school year.
