THE BISHOP GARRIGAN SCHOOLS GALA 2021 COMMITTEE
DEAR FRIENDS OF CATHOLIC EDUCATION,
Welcome to our virtual GALA 2021.

Although it has been a very challenging year, Gala is still a wonderful evening where families and friends can share, enjoy, and support our mission of a faith-based education. This past year has shown me the blessings we have at Bishop Garrigan many times over. At every juncture, our students, staff, and parents rose to the challenges that presented themselves to us.

Although we were unsure of how the school year would work when we started this past fall, I am ecstatic to tell you that we have been in session the whole time. That alone is quite an accomplishment when you look around the country. Our students have again led this year with outstanding leadership in athletics, drama, music and academics.

By the grace of God, next year we should be back at Gala "LIVE". Until then, may you be filled with many blessings and much joy.

LYNN MILLER, PRESIDENT
BISHOP GARRIGAN SCHOOLS

We would like to welcome you to this year's virtual Gala, 2021 Reflections. For 32 years we have celebrated and supported the excellent Catholic education at Bishop Garrigan. With the trials of the last year, now more than ever, we thank you for your continued support in Bishop Garrigan Schools.

Your support is essential in providing students with the tools needed to improve their faith, leadership, and academic skills. Your devotion to providing high-quality education to our children is what makes this evening truly special.

Lastly, this celebration would not be possible without the commitment and dedication of many volunteers. We thank each and every person who has contributed their time and talents to make this even a success. We truly couldn't do it without you.

We hope you enjoy your evening and thank you for supporting Bishop Garrigan.

TONY AND LAURA MEYER
DENNIS AND PAM KOLLASCH
THAD AND MINDY LICHTER
Looking back to Gala 2020 definitely brings to mind the cliche “hindsight is 20/20”. Choices that we were faced with just a year ago now seem much clearer and more obvious... when we reflect back through this trying and unprecedented year hopefully we can say we came out stronger, more resilient, stronger in faith, and truer reflections of God.

Hence our 2021 Gala theme, “Reflections”. Reflecting back to last year’s virtual event affords us the luxury of knowledge, so that we may move forward and elevate this year’s virtual gala to a whole new level. With additional options of a walk-through preview, and a drive-through meal, we will have the opportunity to experience Gala in an exciting new way. Gala will also be very different visually, with the emphasis placed on exterior decor. Still, as you drive-through, we hope to capture the grand and elating feel that Gala has become so well known for.

Cheers to another successful Gala, and heartfelt thanks to all of our selfless volunteers and generous donors! May we “drive-through” this year and not forget that reflections in our rearview mirror are closer that they appear, just as God’s love is for us all.

ELBERT - MEISTER AWARD
EXCELLENCE IN EDUCATION AWARD

That man is a success, who lived well, laughed often and loved much; Who has gained the respect of intelligent men and the love of children; Who has filled his niche and accomplished his task; Who leaves the world better than he found it; Whether by a perfect poem or a rescued soul: Who never lacked appreciation of earth's beauty or failed to express it; Who looked for the best in others and gave the best he had.
