On All Souls Day, Spalding 3-6 graders went to St. Mary’s Cemetery to honor and remember departed souls. As we reflect on the lives of our loved ones who have passed away, we cannot help but think of the legacy we are leaving for our children and future generations. At Spalding Catholic the legacy of faith is alive and well in every one of our students. That faith is evident in a million little ways each and every school day and it is on display every week at Mass, as we kneel before our Lord and honour Him. What a glorious gift! Please know that your support of Spalding Catholic and our students is not a gift that is taken lightly. Thank you all so much!
