Directions for Student Applicants

Dear Student:

Applicants should collect all necessary materials, organize them in order of the checklist found on the second page of the application, and mail ALL pages of the scholarship application and required information in one envelope to the DISTRICT Chairman as written on the second page of the scholarship application. The District Chairman’s name and address should already be completed for you.

This year you may apply for the first three scholarships listed, as long as you are otherwise eligible. You may apply for more than one scholarship; however, you are only eligible to receive one. You must fill out a separate application form for each scholarship but may use the same letters of recommendation.

All information is confidential. Your personal letter should include any pertinent or significant information regarding any community volunteerism, leadership opportunities, employment, your goals and accomplishments, and a general description of your family, including financial considerations. GFWC/Iowa scholarship awards are based on volunteerism, achievement, and financial need, in that order.

Please remember that a late or incomplete application will be rejected. CHECK ALL MATERIAL CAREFULLY. **February 1, 2022, is the POSTMARK DEADLINE.** Please use the correct amount of postage; or the post office may return your packet, resulting in a missed deadline. You must include a stamped, self-addressed envelope so you may receive notification of the award results.

If you have any questions concerning the application process, you may contact the District Chairman, the Club’s contact person, (both of these are listed on the second page of your application form), or me (563-581-4326). Best wishes for your future education.

Sincerely,

Betty Wade
Betty Wade
GFWC/Iowa Scholarship Chairman
The GFWC/Iowa Scholarship Committee administers several scholarships to Iowa students in Iowa colleges and universities. This money is paid to the student/college by check, after she/he has provided registration documentation to the GFWC/Iowa State Headquarters Office for the Fall Term in the year the scholarship is awarded. The number of each scholarship awarded is determined by the amount of money contributed by clubs, proceeds from special fund-raising projects, and interest from investments on memorial scholarships. GFWC/Iowa Scholarship awards are based on volunteerism, achievement, and financial need.
