Important Information:

Students need to bring full snow gear to school each day until further notice. This includes winter coats, snow pants, boots, hats, mittens/gloves, etc. We will continue to have outside recess as long as the real-feel temperature is 0 or above.

If you are in need of any winter items for your child(ren), please contact the Elementary Office for assistance!
Welcome back and Happy New Year, Gehlen Families! We are so excited for the start of a fresh year full of exciting events and lots of learning! I hope you all had a wonderful Christmas and enjoyed time with those you love most.

We finished the 2021 year off with a huge accomplishment as a school. Our students earned over 5,000 BIRD tracks and met their goal, earning a Polar Express Day! Hot chocolate was served and the spirit of Christmas was truly in the air!

As we enter into this new year, we as a staff are focusing on our "new word" of the new year. A word that represents all you want to accomplish, feel, live, etc. within the new year. My word is "peace". I encourage you to choose a word together as a family and help one another live out your goals in 2022! May God’s blessings be many as we embark on another year!

As always, if you have any questions or concerns, please do not hesitate to contact me!
