Dear LFCIS Families,

As we prepare for the upcoming school year, it is my pleasure to announce that Lewis F. Cole Intermediate School will host our 2021-2022 orientation on Thursday, September 2, 2021. Due to last year's remote learning, this orientation will invite all 5th and 6th grade students (see details in the table below). During this important "Celebration of Classroom Champions", 5th and 6th grade students will have an opportunity to familiarize themselves with the school, reunite with their peers, and meet new classmates, teachers, and staff. Please carefully review the following event details with your child. Students should bring with them a printed copy of their daily schedule which will be made available via the Genesis parent portal by September 1.
