Approval of Interlocal Agreement between Edmonds Community College and Edmonds School District for the Edmonds Career Access Program (EDCAP) for the 2016-17 school year, Resolution No. 16-51.

Recommendation

It is recommended that the Board of Directors approve the Interlocal Cooperation Agreement between Edmonds Community College and Edmonds School District for the Edmonds Career Access Program (EDCAP) for the 2016-2017 school year.

Background

The Edmonds School District contracts with Edmonds Community College to provide vocational and regular education opportunities for eligible out-of-school individuals ("Students") who are working toward course credits which can be converted to high school credits through the Edmonds Career Access Program (EDCAP) Reengagement Program operated by Edmonds Community College. The students must be under age 21 by September 1 of each year, but at least 16 years of age, who have not met high school graduation requirements, and have been withdrawn from school for thirty (30) calendar days. Edmonds School District may waive this thirty (30) day attendance requirement. Through this program, Students meet state high school graduation requirements and receive a high school diploma, career certificate, and/or an Associate Degree. The EDCAP program has been in existence for many years, and serves to build a stronger partnership between Edmonds Community College and the Edmonds School District while meeting the needs of students at risk of failing to complete high school.

- ii. Instruction that is below the ninth (9th) grade level shall not generate high school credits but will be counted as part of the Program’s instructional programming for the purposes of calculating student enrollment, and will be designed to prepare students for coursework that is at the ninth (9th) grade level or higher.
 - b) Provided in accordance with the skills level and learning needs of individual students and not the student’s chronological age or associated grade level.
 - c) Not limited to only those courses in which they are deficient in high school credits.
2. Instruction for reengagement students will be provided through courses approved by college, identifiable by course title, course number, quarter, number of credits, and, for vocational course, the Classification of Instructional Programs (CIP) code number assigned by OSPI to the approved Career and Technical Education (CTE) course.
 3. The following instruction will be offered to all students, as appropriate for their goals, skills levels, and completion of prerequisites:
 - a) Basic skills remediation courses and preparation for high school equivalency certificate exams.
 - b) Courses that lead to a postsecondary degree or certificate.
 - c) Coursework that will lead to a high school diploma.
 - d) College and work readiness preparation coursework.
 4. Instruction shall generate credits that can be applied to a high school diploma awarded by the District or by a community or technical college under RCW 28B.50.535 and shall be provided with the goal of enabling the reengagement student to acquire the skills necessary for postsecondary education and of earning a secondary or postsecondary credential, certificate, or degree and/or employment.
 5. The Program may restrict or deny enrollment into classes if a student’s academic performance or conduct does not meet established guidelines.
 6. The Program will administer standardized tests within one (1) month of enrollment or secure test results from no more than six (6) months prior to enrollment in order to determine a student’s initial math and reading level upon entering the Program. A commonly accepted standardized academic skills assessment tools will be used. All required assessments will be provided to the students free of charge.
 7. The College will provide instruction, tuition, and required academic skills assessments at no cost to the students, but may collect mandatory fees as established by the Program.
 - a) Consumable supplies, textbooks, and other materials that are retained by the student do not constitute tuition or a fee.
 - b) The Program will establish a waiver/scholarship process for qualifying students.

- 145 8. The College will ensure that all instruction will be provided by instructors who are
146 employed or appointed by the College whose required credentials are established by the
147 College.
148
149 9. Instructor to student ratio for any course open to both reengagement students and non-
150 reengagement students will be determined by the College.
151
152 10. Instructor to student ratio for classes designed exclusively for Program students will not
153 exceed a 1:35 ratio.
154

155 **F. Case Management and Student Support.**
156

157 The College will be responsible for the provision of case management services to all enrolled
158 students in accordance with the following:
159

- 160 1. Case management staff will be assigned to the College to provide accessible, consistent
161 support to students as well as, academic advising, career guidance information,
162 employment assistance or referrals, and referrals to DSHS.
163
164 2. Program staff will meet with each eligible student at a minimum monthly to assess
165 progress toward coursework completion and mitigate barriers.
166
167 3. The Program will maintain a case management staff to student ratio not to exceed 1:75
168 (one case manager FTE to seventy-five (75) enrolled students) on a full-time continuous
169 basis throughout the school year.
170
171 4. Only the percent of each staff member's time that is allocated to fulfilling case
172 management responsibilities will be included in the calculation of a Program's case
173 management staff FTE to student ratio
174
175 5. Even though the provision of case management services will require case management
176 staff to work in the community to meet client needs, case management staff will be
177 primarily based at the Program's instructional site(s).
178
179 6. The Program will ensure that case management services and instruction are integrated
180 and coordinated, and that procedures are established that facilitate timely relevant
181 communication about student progress.
182
183 7. All case management staff will be employed by the College and will have at least a
184 Bachelors degree in social work, counseling, education, or a related field, OR at least two
185 (2) years experience providing case management, counseling or related direct services to
186 at-risk individuals or sixteen to twenty-one (16-21) year old youth.
187

188 **G. District Administrative Responsibilities.**
189

- 190 1. Upon Office of Superintendent of Public Instruction's (OSPI) determination that this Scope
191 of Work contains approved standard language that delineates responsibility for all the
192 required elements of a Reengagement Program as outlined in RCW 28A.175.100, and

193 WAC 392-700, OSPI will assign a school code to be used by the District, the College, and
194 OSPI to exclusively identify the Program. The District will use this code in its student
195 information system and in Comprehensive Education Data and Research System
196 (CEDARS) to identify all students enrolled in the Program.

197
198 2. The District will work cooperatively with the College to implement this Scope of Work and
199 to ensure that quality reengagement services are provided in accordance with WAC 392-
200 700.

201
202 3. The District will designate a primary contact person to work with the College in
203 implementing this Scope of Work and to provide oversight and technical assistance.

204
205 **H. Statewide Student Assessment.**

206
207 1. The District will work with the College to ensure that all reengagement students have the
208 opportunity to participate in the statewide student assessment and understand that this
209 assessment, or an approved alternative, is a high school graduation requirement.

210
211 2. The District will include reengagement students when calculating districtwide statistics in
212 relation to the statewide assessments

213
214 **I. Provision of Special Education.**

215
216 1. The District will be responsible for the provision of special education services to any
217 enrolled reengagement students who qualify for special education in accordance with all
218 state and federal law.

219
220 2. The District will be responsible for the:

221
222 a) Requesting of student special education records.

223 b) Determination of whether the student or the student's parents wish to request a waiver
224 of special education services.

225
226 **J. Provision of Section 504 Accommodation Plan.**

227
228 The College will provide the same accommodations to reengagement students under Section
229 504 of the 1973 Rehabilitation Act as it provides to all students of the College.

230
231 **K. Award of Credit.**

232
233 In accordance with RCW 28A.175.100, high school credit will be awarded for all College
234 coursework in which reengagement students are enrolled, including high school equivalency
235 certificate preparation, in accordance with the following:

236
237 1. High school credit will be awarded for Program instruction provided by the College in
238 accordance WAC 392-700-137(2)(a).

- 239 2. The District is responsible for reporting high school credits earned by reengagement
240 students per OSPI regulations. College transcripts and other student records requested by
241 the District will be provided by the College as needed to facilitate this process.
242 3. The District will ensure that the process for awarding high school credits under this
243 contract is implemented as part of the District's policy regarding award of credits per WAC
244 180-51-050(5) and (6).
245

246 **L. Annual School Calendar.**

247 The following requirements will be met in relation to the school calendar:
248

- 249
- 250 1. The school year begins in September and ends in August.
 - 251 2. The College will provide the District with a calendar of school year prior to the beginning of
252 the Program's start date.
 - 253 3. The school year calendar must meet the following criteria:
254
 - 255 a) The specific planned days of instruction will be identified.
 - 256 b) There must be a minimum of ten (10) instructional months.
 - 257
 - 258 4. Regardless of the Program's annual school calendar, instruction will be offered in
259 accordance with the college's academic calendar.
260

261 **M. Reporting of Student Enrollment.**

- 262
- 263 1. The following requirements must be met when reporting student enrollment for state
264 funding:
265
 - 266 a) Met the eligibility criteria as specified in Section C.
 - 267 b) Met the enrollment criteria as specified in Section D.
 - 268 c) Met the minimum attendance standard by attending at least one instructional day on or
269 during the month prior to the monthly count day.
 - 270 d) Has not withdrawn or been dropped prior to the monthly count day.
 - 271 e) If concurrently enrolled in any other program for which basic education is received,

1. Student Documentation:

- a) The College shall maintain student documentation to support eligibility as specified in Section C. and enrollment as specified in Section D.
- b) The College shall, on behalf of the District, request school records for each student from the last school they attended.
- c) The College shall maintain documentation of case management, student assessment, basic skills gains, attainments of credentials, earned measure of academic progress, and award of credit.
- d) The College will comply with all state and federal laws related to the privacy, sharing, and retention of student records.
- e) Access to all student records will be provided in accordance with the Family Educational Rights and Privacy Act (FERPA).

2. Reporting of Student Data:

- a) The District will ensure that all required Program student information is reported in the student information system; and in CEDARS in accordance with OSPI's standard procedures.
- b) The District will work with the College to determine whether District or the Program staff will be responsible for performing required data entry following OSPI's standard procedures for all Reengagement Programs.
 - i. If the Program is responsible for data entry, the District will provide access to the student information system, as well as, training and technical assistance.
 - ii. If the District is responsible for data entry, the District will define the data elements the Program must provide for each student, as well as, the format and required reporting dates for the submission of data.

3. Annual Reporting:

- a) The College will prepare and submit an annual performance report to the District no later than September 1st.
- b) The District will review and submit the annual performance report to OSPI no later than September 30th.
- c) The annual report will include the following:
 - i. Total number of students enrolled, dismissed, and withdrawn.
 - ii. Total AAFTE reported for the school year.
 - iii. Total number of instructional staff FTE.
 - iv. Types and total Indicators of Academic Progress (IAP's) completed per AAFTE.
 - v. Types and total credentials earned per AAFTE.
 - vi. Total high school credits earned and high school credits per AAFTE.

1. Longitudinal performance data for the Program and the statewide reengagement system as a whole will be reported through the Washington's P-20 (pre-school to post-secondary and workforce) longitudinal data system, the Education Research and Data Center (ERDC).
 2. The District will work with the College to collect and report student data requested by the ERDC in order to accomplish the longitudinal follow-up of reengagement students. Specifically, the following unique identifier data points will be collected, to the extent possible, by the Program, reported by the College, and verified by the District, for each enrolled reengagement student:
 - a) Full legal name.
 - b) Birth date.
 - c) State student identifier number (SSID).
 - d) Social security number.
 - e) College student identification number (SID), if applicable.
 3. In accordance with FERPA requirements, such data will be shared only with parent or eligible student consent. While reengagement students will be encouraged to provide the data needed for longitudinal follow-up, the Program will ensure that a student's unwillingness or inability to provide the requested data will not be a barrier to enrollment.

405 **Q. Records.**

406
407 All operations of, and accounting by, either party pertaining to this Scope of Work shall be
408 open to the inspection of either party.
409

410 **R. Indemnification.**

411
412 As part of the terms of this Scope of Work, each party shall each be responsible for the
413 consequences of any act or failure to act on the part of itself, its directors, employees, and its
414 agents. Each party shall be responsible for its own negligence. Neither party shall indemnify
415 or hold the other party harmless; neither party assumes responsibility to the other party for the
416 consequences of any act or omission of any person, firm or corporation not party to this
417 Scope of Work. In the event of fiscal recapture due to inconsistencies or misinterpretation of
418 law, both parties agree to collaboratively address the issue or issues and seek a collaborative
419 solution.
420

421 **S. Applicable Law.**

422
423 This Scope of Work is entered into pursuant to and under authority granted by the laws of the
424 state of Washington and any applicable federal laws. The provisions of this Scope of Work
425 shall be construed to conform to those laws. In the event of any inconsistency in the terms of
426 this Scope of Work, or between its terms and any applicable statute or rule, the consistency
427 shall be resolved by giving precedence in the following order:
428

- 429
430
1. Applicable state and federal statutes and rules.
 2. Statement of work herein.

431 3. Any other provisions of the Scope of Work, including materials incorporated by
432 reference.

433
434 **T. No Separate Entity Created.**

435
436 No separate legal or administrative entity is intended by this Scope of Work.

437
438 **U. Amendment and Waiver.**

439
440 This approved Scope of Work may be waived, changed, modified, or amended only in
441 writing by authorized individuals of both parties. If any provision of the Scope of Work shall
442 be deemed in conflict with any statute or rule of law, such provision shall be modified to be
443 in conformance with said statute or rule of law.
