EMERGENCY PREPAREDNESS KIT
(Student Comfort Kit)

Dear Lynndale Families,

In case of emergency, we want to be sure that your student feels safe and cared for. We will, of course, do our very best to minimize upset and make your student feel comfortable and secure. You can help us by providing an Emergency Preparedness Comfort Kit for your student. Bringing in a comfort kit is optional, but we feel that most students would benefit by having personal items from you to help during a time of possible anxiety.

The kit will be kept in the emergency shed, easily accessible for use during a school emergency such as an earthquake, power outage, or snowstorm. If the kit is not used during the school year, it will be returned to you at the end of the school year.

Please put the items listed below into a ONE GALLON ZIP-LOCK BAG. Please try to send the Highest Priority items to school immediately and add the rest when you can. The school will supply water and snacks in case of emergency.

HIGHEST PRIORITY ITEMS

___ List of people permitted to pick up your child. This list should match the list of Emergency Contacts you have provided to the school office. That information can be viewed by checking your child’s information in the Skyward program online. If you are unable to access Skyward, just call the school office and we will assist you.

___ Note of comfort with family photo. In the note, please reassure your child that he or she will be taken care of by the adults at school. Please ask your student, in the note, to stay calm and follow the directions of the people at school until you are able to get here.

___ Emergency phone numbers, with one out of state, if possible.

OTHER ITEMS

___ Gloves or mittens

___ One pair of heavy socks

___ Warm winter hat

___ Small toothbrush and toothpaste

___ Small packet of baby wipes

Each kit will be sent home at the end of the school year. Please make necessary changes and return it at the beginning of the next school year. The kits are also great to keep in your car during the summer for emergencies.

Thank you, families! If you have any questions regarding the Emergency Kits, please just call the office at 425-431-7365 and we will do our best to answer them!
