

## **All Lafourche Parish School District Enrolled Students to Eat Free for the 2021-2022 School Year**

All enrolled students in the Lafourche Parish School District will be offered a free breakfast and lunch provided by the LPSD Child Nutrition Department each school day for the 2021-2022 school year. Students will not be required to complete a meal application to receive this benefit, **however**, if you think your student would qualify for P-EBT you should complete the meal application at [www.myschoolapps.com](http://www.myschoolapps.com) or you can request a paper application from the school office or the Child Nutrition office. The 2021-2022 meal application form will be available on-line August 5, 2021. By completing this application and being approved for free or reduced meal benefits, you may receive P-EBT if offered by DCFS. If your student attends a 2021-2022 CEP (Community Eligibility Provision School), they do not need to complete an application as they will automatically be approved for the P-EBT if offered through DCFS.

The following schools are 2021-2022 CEP Sites:
