August 4, 2021

Dear Parents and Students,

Welcome to Eastern View High School! EVHS' Staffuly are eagerly anticipating your arrival. We are thrilled to share all the amazing opportunities that await you. On Tuesday, August 17, 2021, we invite you to attend Cyclone '25. This orientation program will provide an overview of your student's first year at EVHS. Available programs, courses of study, school rules, and the daily schedule will be covered. A guided tour of the building will be provided as well. Our Student Council Association (SCA) will impart helpful tips in addition to memorable examples of life as a Cyclone. Although Cyclone 25 is intended for students, parents are welcome to take part in the event. Emphasis will be placed on ensuring students understand the new class schedule. Parents will have the opportunity on August 18th & 19th at 5:00PM (attend one of these sessions) in the auditorium to get information about EVHS and what to expect for your student in high school.

Please mark your calendar for Cyclone '25! These important meetings for all incoming freshman, newly enrolled students and their parents should not be missed.

Students - Wednesday, August 17th, **8:30am -10:00am (drop-off to the auditorium by the main office)**
Parents & Students – Wednesday & Thursday, August 18th & 19th @ **5:00pm - 6:00pm** in the auditorium.

As summer winds down, we hope you find a few moments to relax and enjoy the rays. Feel free to contact us with any questions.

Go Cyclones!

Until August 17th,

Felix Addo, Ed.D
Principal
