

# FRUITA FRESHMEN REGISTRATION

## 2021-2022

It is time to register for high school! In a “normal” year, we would be setting up group meetings to register for high school. This year we are adapting to the times and doing everything remotely.

### GO WILD!

Teachers & staff committed to student success

21<sup>st</sup> Century Vision – Our goal is for every student to find their passion that leads them to a successful career.

FMHS is ranked as one in the top 25% of high schools in the US

90.8% Graduation Rate

Test scores above the district & state averages

Multiple pathways for students to take classes in their areas of interest

We know there is also uncertainty right now with the proposed and potential boundary changes. We would encourage you to register at the school where you plan on having your child attend next year. We will be flexible in working with incoming families as this all gets ironed out. If you are not sure, you can register with us and we will hold your paperwork.

## STEP BY STEP PROCESS

1. Go to the website
2. Watch the Freshmen Registration Video. The video reviews graduation requirements and course offerings
3. Review the Freshmen Planning Guide which includes a description of all of our courses
4. Complete the registration form to pick classes
5. If you have questions, attend a 10 minutes session with a school counselor or email the counselors
6. Return the form to your school counseling office or scan it to our registrar:
